WHY YOU'LL LOVE IT!

Engages Students

Turn Valentine's Day into an interactive and creative experience that focuses on what students love about the world around them.

Perfect Bulletin Board Display

Creates a colorful, meaningful February showcase of student work tied to the holiday. It combines writing and drawing for a hands-on activity.

Encourages Reflection

Prompts students to think about who and what they love and encourages gratitude, kindness, and self-awareness.

TEACHERS LOVE IT!

My students really enjoyed this resource. It made learning fun for cooperative learning, and group roles.

Tara A.

My students had fun making these. They were engaged and loved seeing them displayed for others to look at.

Wendi H.

My passion is making learning accessible to all students.
I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections.
I love figuring out the small components that build up to the big ideas and helping students see it all.
