YOU WILL LOVE THIS BECAUSE

Cloze reading can help to improve reading accuracy, speed, and comprehension.

Students use their knowledge of vocabulary, synonyms, and grammatical structures to find the best fit words.

Through discussion with partners, small groups, and the whole class, students share their word choices and listen to other students' ideas.

My passion is making learning accessible to all students. I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections. I love figuring out the small components that build up to the big ideas and helping students see it all.
