HOW IT WORKS

Students use a QR code reader to scan and watch short educational videos or visit kid-safe biography websites.

They then:

1. Take notes on provided organizers
2. Use scaffolded pages to write clear informational paragraphs
3. Create a final polished biography report

WHY IT'S VALUABLE FOR TEACHERS

All-in-One Learning Tool

Combines reading comprehension, vocabulary, and writing skills with social studies content, making it a comprehensive teaching solution.

Saves Teacher Time

No need to vet sources yourself—these pages come ready-to-use for stations, small groups, or independent research.

Boosts Writing Confidence

Built-in graphic organizers guide students in gathering facts and organizing details for their biography reports.

TEACHERS LOVE IT!

This is a great resource to use either in small or whole group. It is very easy to use and has a lot of great information within it.

erika G.

This was very helpful to my students when they needed to do their research report. It was easy for them to follow and very engaging for them. I will be using it again this year.

My passion is making learning accessible to all students.
I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections.
I love figuring out the small components that build up to the big ideas and helping students see it all.
