Irregular Words
Practice and Cards

Non-decodable words that don't follow regular spelling patterns

By Jessica Boschen
whatihavelearnedtoo.blogspot.com

The words in this packet are all irregular words, which means that they cannot be decoded using regular spelling patterns. These are words that student "just need to memorize". These practice sheets provide practice in reading, tracing, and writing irregular words. Flash cards are included on the page. I suggest students keep them in a "safe" place and review them weekly. The words are arranged in the order of frequency.

Suggestions for Use

Day 1: Read and trace the words

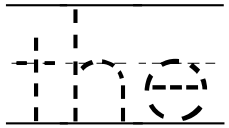

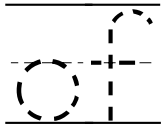

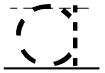

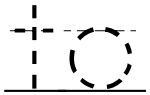

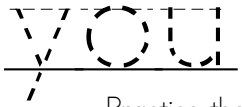

Day 2: Cut out the sight word flashcards and keep them in a special place at home to practice them every week.

Days 3 & 4: Practice the sight word flashcards.
