- Lined
- Half-blank & lined
- Picture frame option

**Two cover choices:** With or without a cheerful summer sun 🌞

**Brainstorming worksheet** to support vocabulary, spelling, and idea development

**Craft directions:** Students write, cut, staple, and assemble a personalized bucket-shaped flip book

**Editable Google Slides version:** Let students create a digital presentation of their summer goals!

# STUDENTS REFLECT AND WRITE ABOUT

- Friends I want to see
- Family I want to see
- Places I want to go
- Things I want to do
- Books I want to read
- Walks I want to take
- Skills I want to learn
- Ways I can help others
- Things I want to make
- Games I want to play

**This craftivity encourages personal reflection and planning while keeping students engaged right up to the last day of school!**

# WHY TEACHERS LOVE IT

## Wraps Up the Year with Purpose

Helps students reflect meaningfully on their goals while still practicing sentence structure, organization, and writing fluency.

## Integrates SEL with Writing

Encourages self-reflection, goal-setting, and personal expression while reinforcing writing conventions and creativity.

## Saves Teachers Time

Ready-to-go templates and multiple formatting choices mean quick printing, smooth planning, and a no-stress end-of-year activity.

# TEACHERS LOVE IT!

*"This was the perfect find for me. My room is decorated like the beach. I'm always looking for fun activities for the students to work on the last week of school but still keeps them writing. They LOVED it."*

**Michelle S.**

*"My students loved using this resource. They did not complain about having to write because they were writing about things they loved. The resource was easy to print, and the students were able to put it together easily."*

**Christopher A.**

My passion is making learning accessible to all students.
I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections.
I love figuring out the small components that build up to the big ideas and helping students see it all.
