5 WAYS TO USE CHARACTER TRAITS & SYNONYMS

Reading Comprehension

Have students identify character traits and support them with text evidence during read-alouds or independent reading.

Writing Support

Use the lists as a reference tool to help students choose precise words when describing characters in personal narratives or fiction writing.

Vocabulary Building

Teach synonym groups by introducing a trait and having students match or sort related words from the list.

SEL Activities

Choose a "Trait of the Week" to discuss and practice through morning meetings, role-playing, or journal writing.

Centers or Partner Work

Create a matching game, charades activity, or scenario sort using the trait and synonym cards for hands-on learning.
