YOU WILL LOVE THIS BECAUSE

Cut, Paste, and Master Place Value!

Hands-on activities help students build a strong foundation in Numbers and Operations in Base Ten.

Engage Every Learner

Perfect for math centers, independent practice, or homework with both print and digital options.

Less Prep, More Learning!

Ready-to-use worksheets with answer keys save you time while providing meaningful practice.

TEACHERS LOVE IT!

This is a great activity for students to practice skills with. It can be done independently or as a review in a group. Thank you!

Jess Greene

Thank you for this quality product that helped my students master the concept!

Shelly L.

My passion is making learning accessible to all students. I love scaffolding learning. Breaking down the concepts and building them up so that students can see the connections. I love figuring out the small components that build up to the big ideas and helping students see it all.
