

MAKE 10 TO ADD +9 AND +8

Helps students master addition strategies through fun and interactive games.

What I have LEARNED

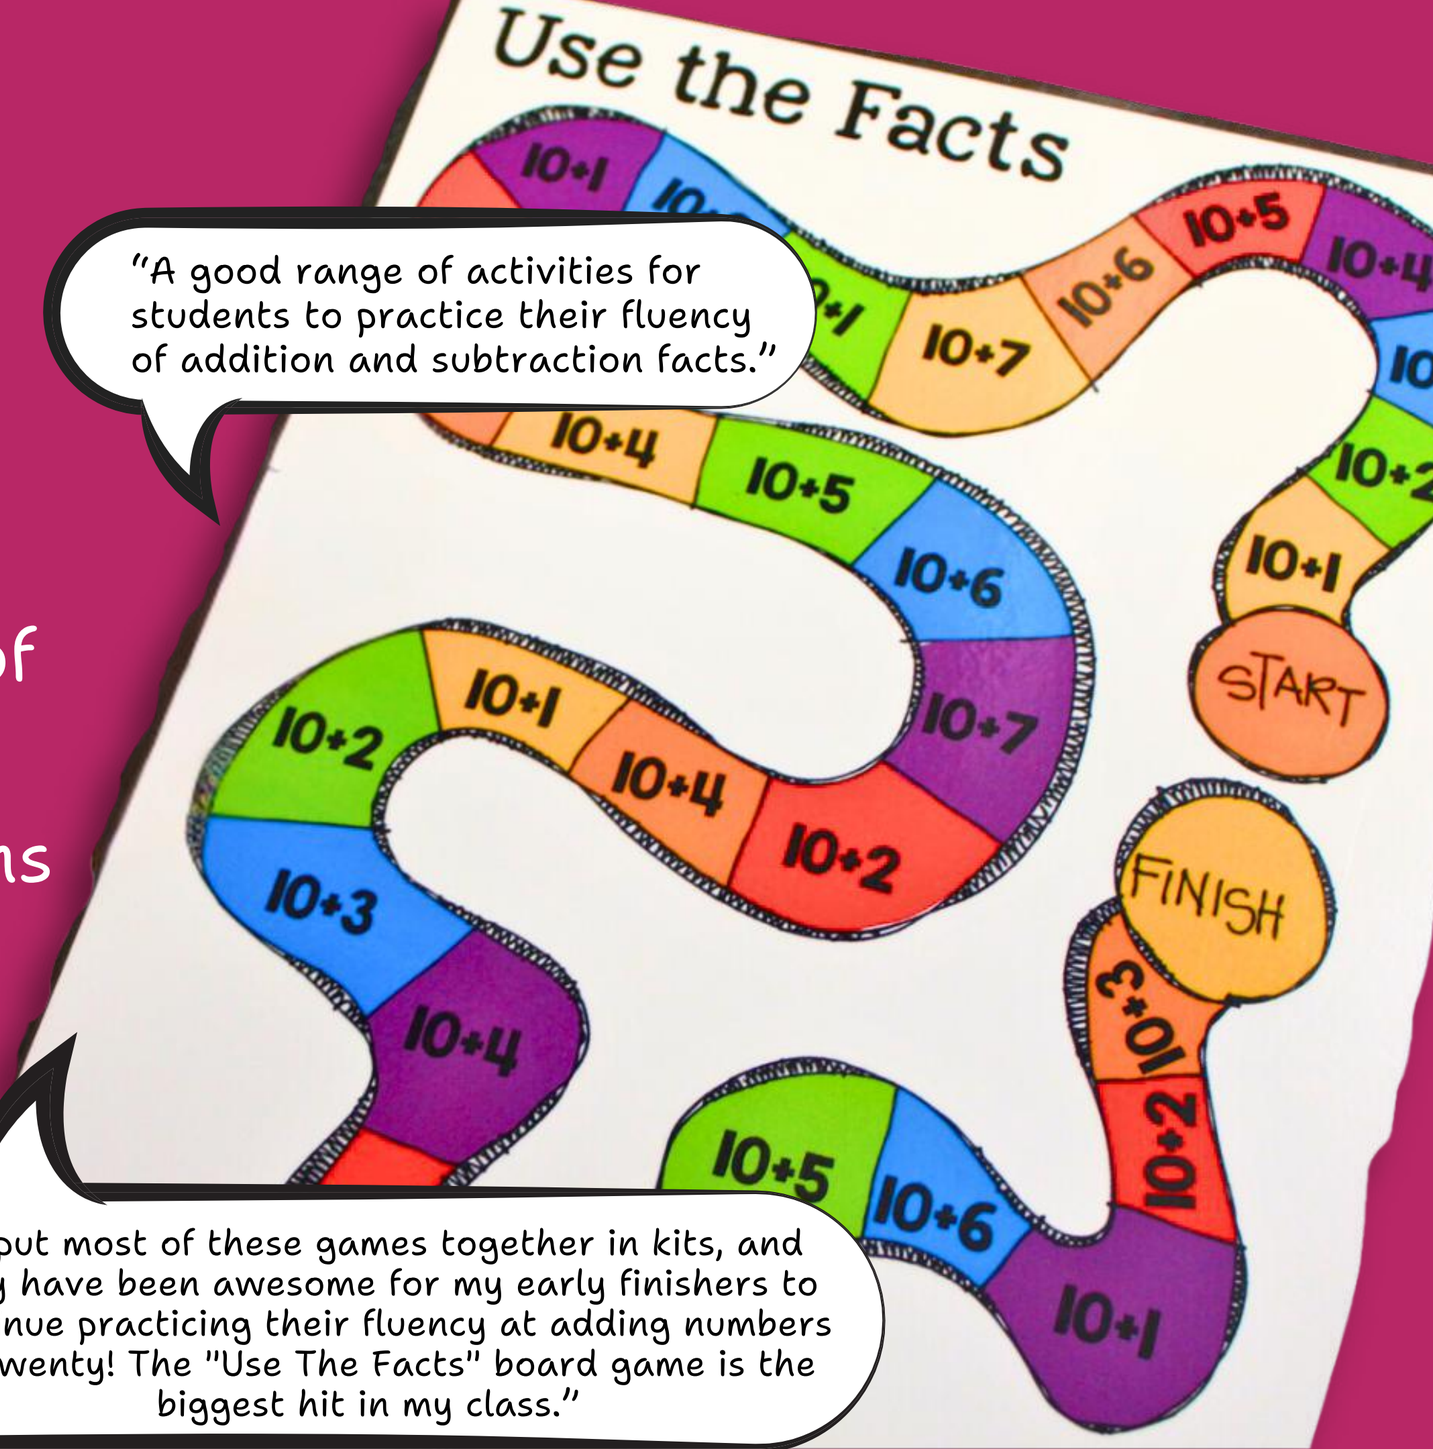

WHY THIS RESOURCE IS BENEFICIAL FOR TEACHERS

- Interactive math games and activities engage students in learning addition strategies.
- Aligned with 1st and 2nd grade math standards for skill development.
- Activities can be customized for various learning levels to be diversified for all students.
- Ready-to-use materials help teachers save time on lesson planning and preparation.

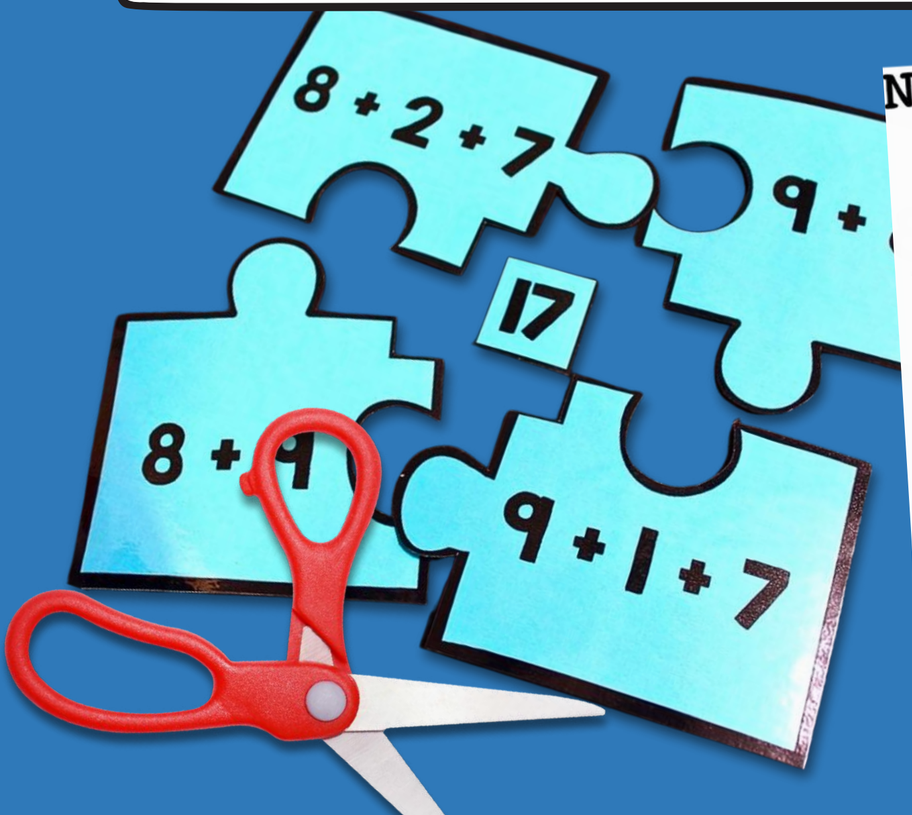

WHAT'S INCLUDED IN THIS RESOURCE

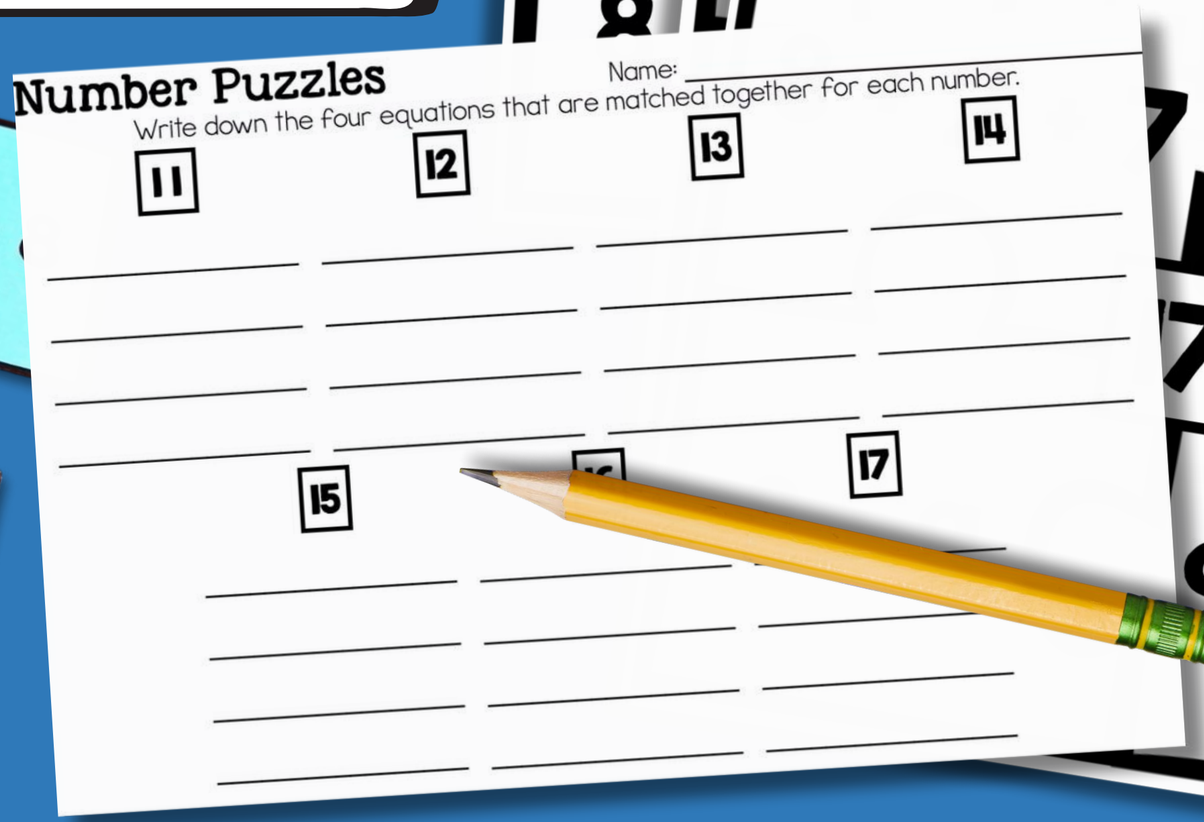

- +9 Facts, +8 Facts and combination of both sets of facts
- Equal Equations - 2 Options for matching
- Board Game
- Four-in-a-row
- Number of Puzzles

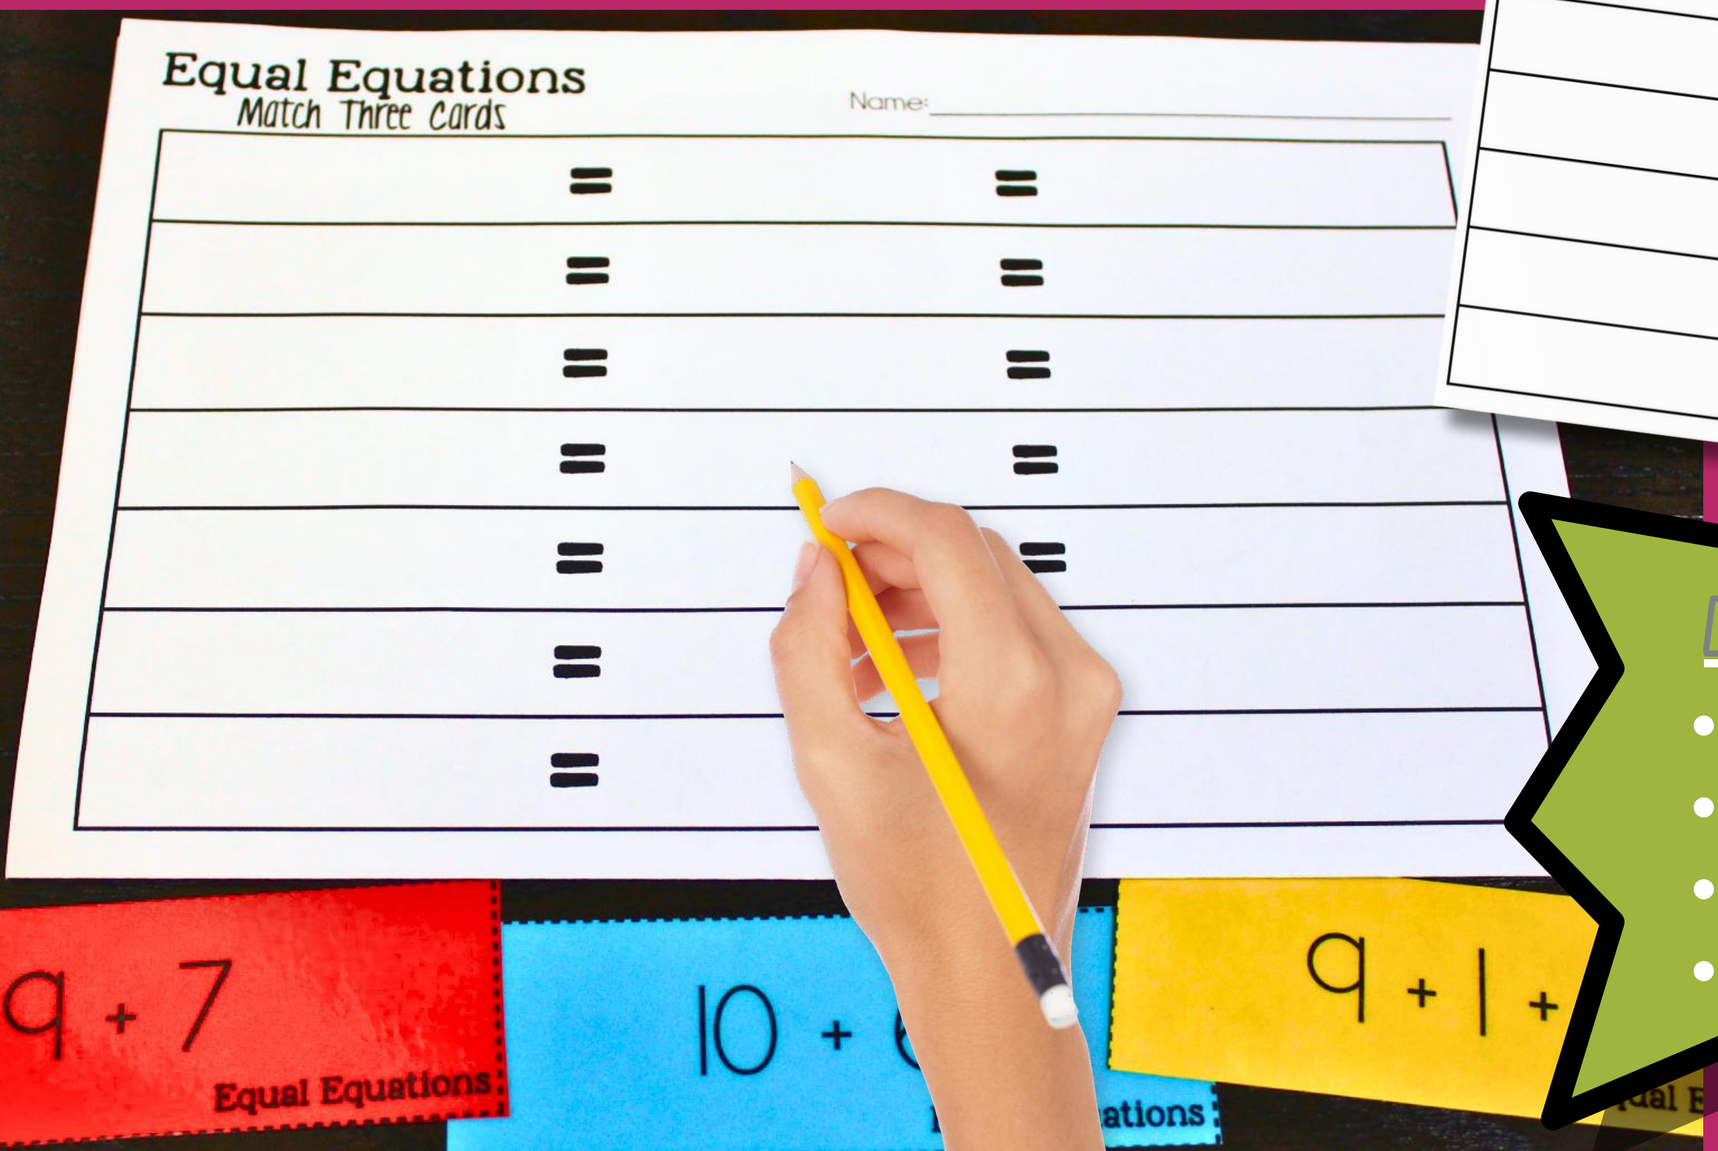

NUMBER PUZZLE

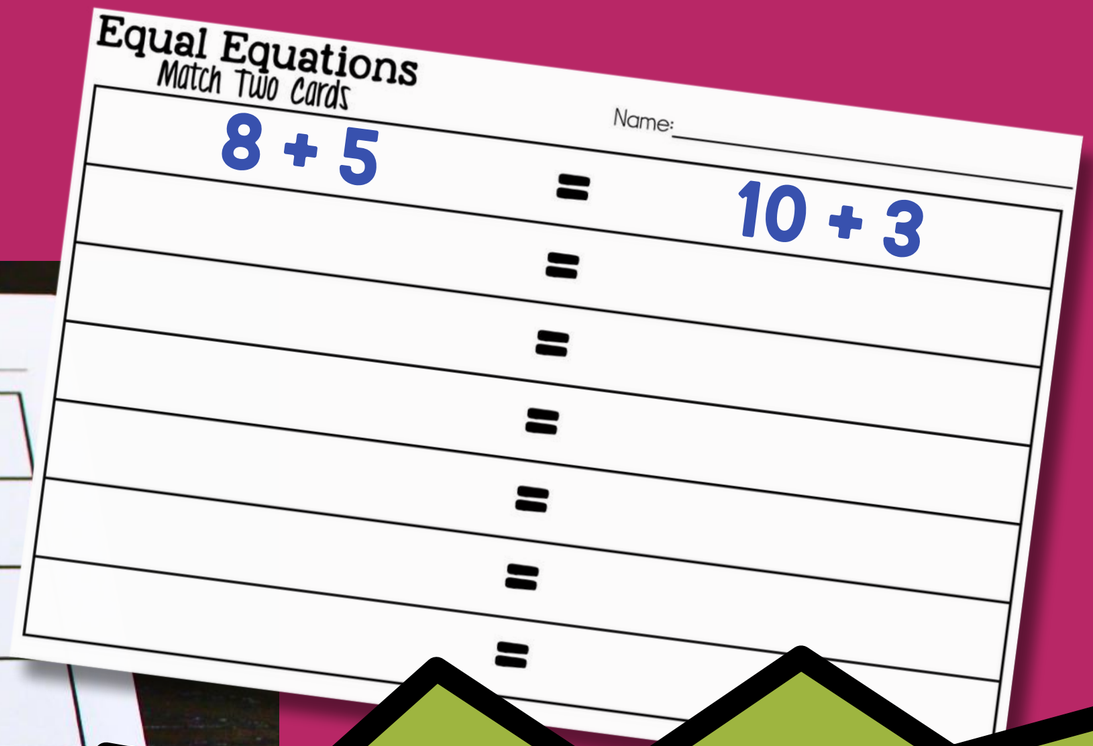

Addition Number Puzzles offer practice matching various +8 and +9 addition facts with whole numbers.

MATCH EQUATIONS

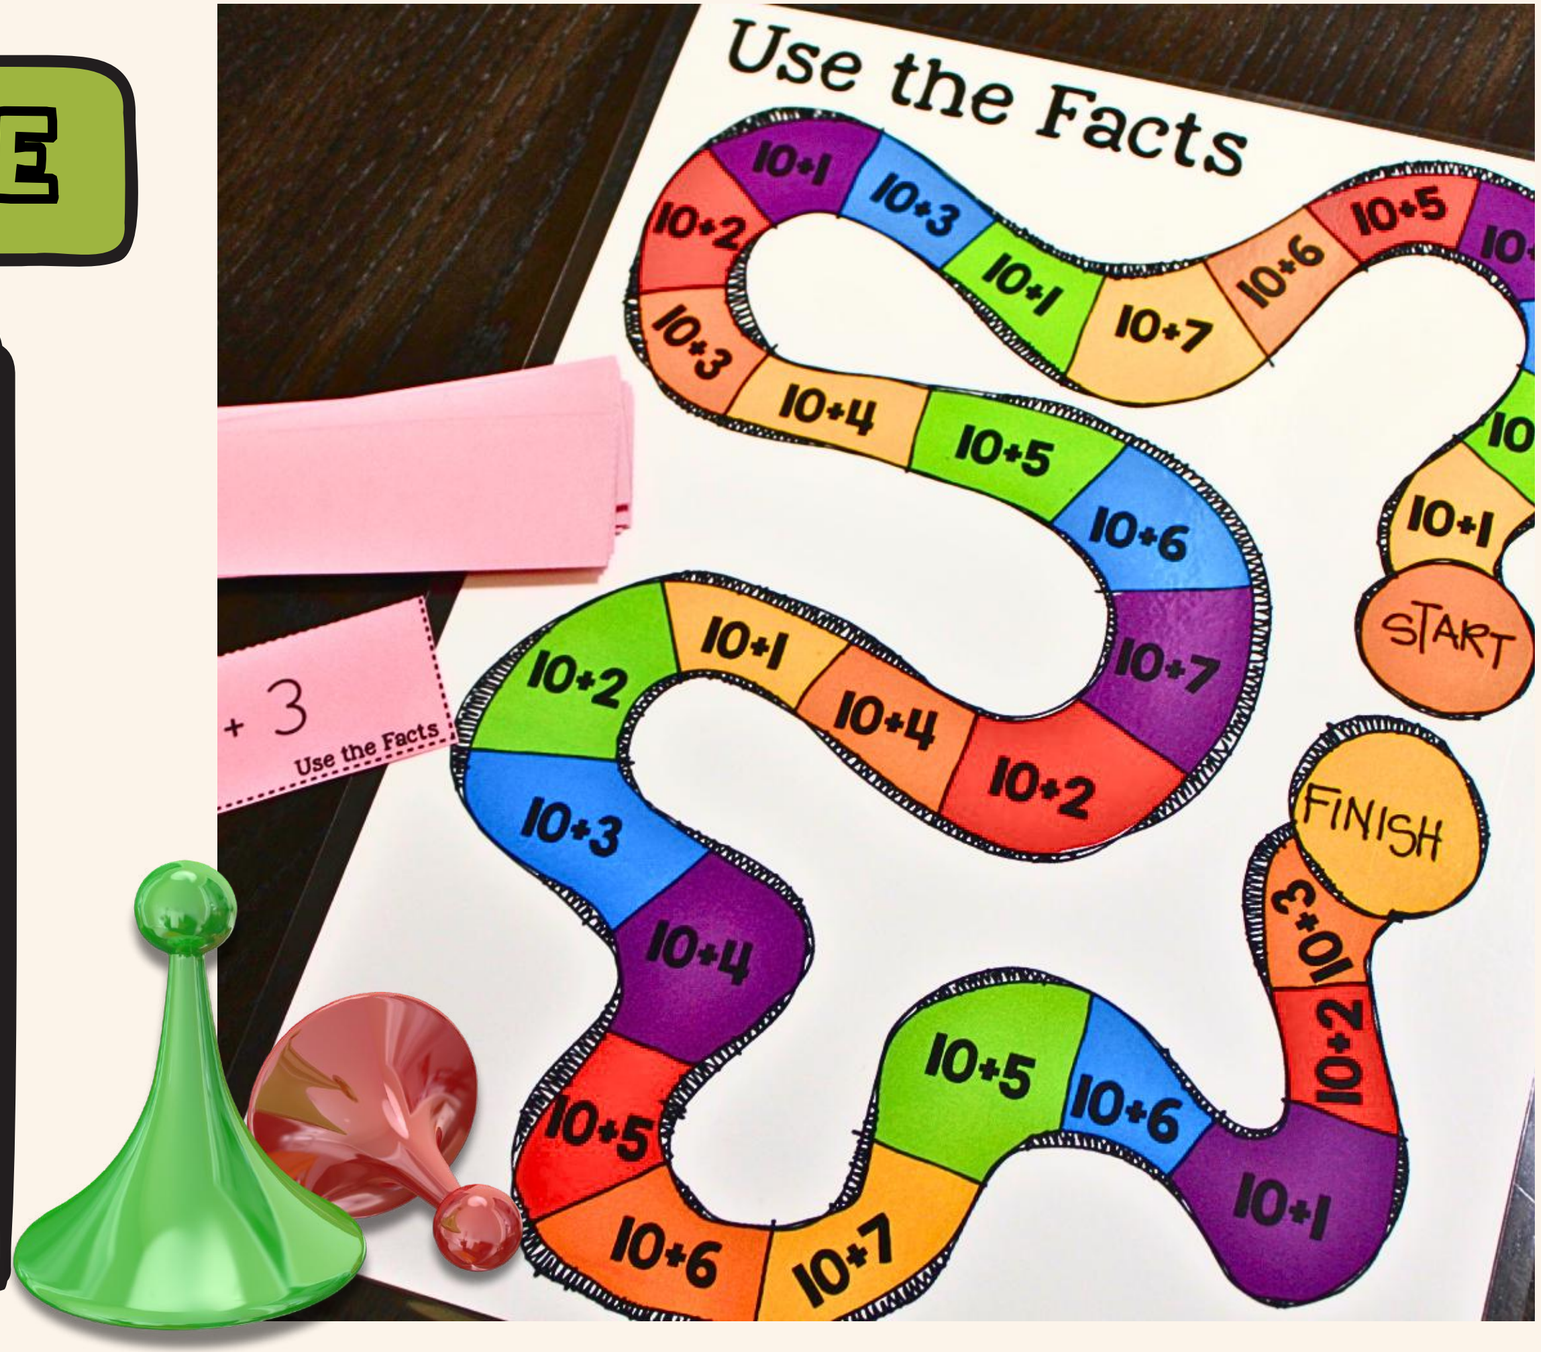

MANY OPTIONS

- Match Two Equations
- Match Three Equations
- Match +9 Facts
- Match +8 Facts

BOARD GAME

+9 & +8 Facts

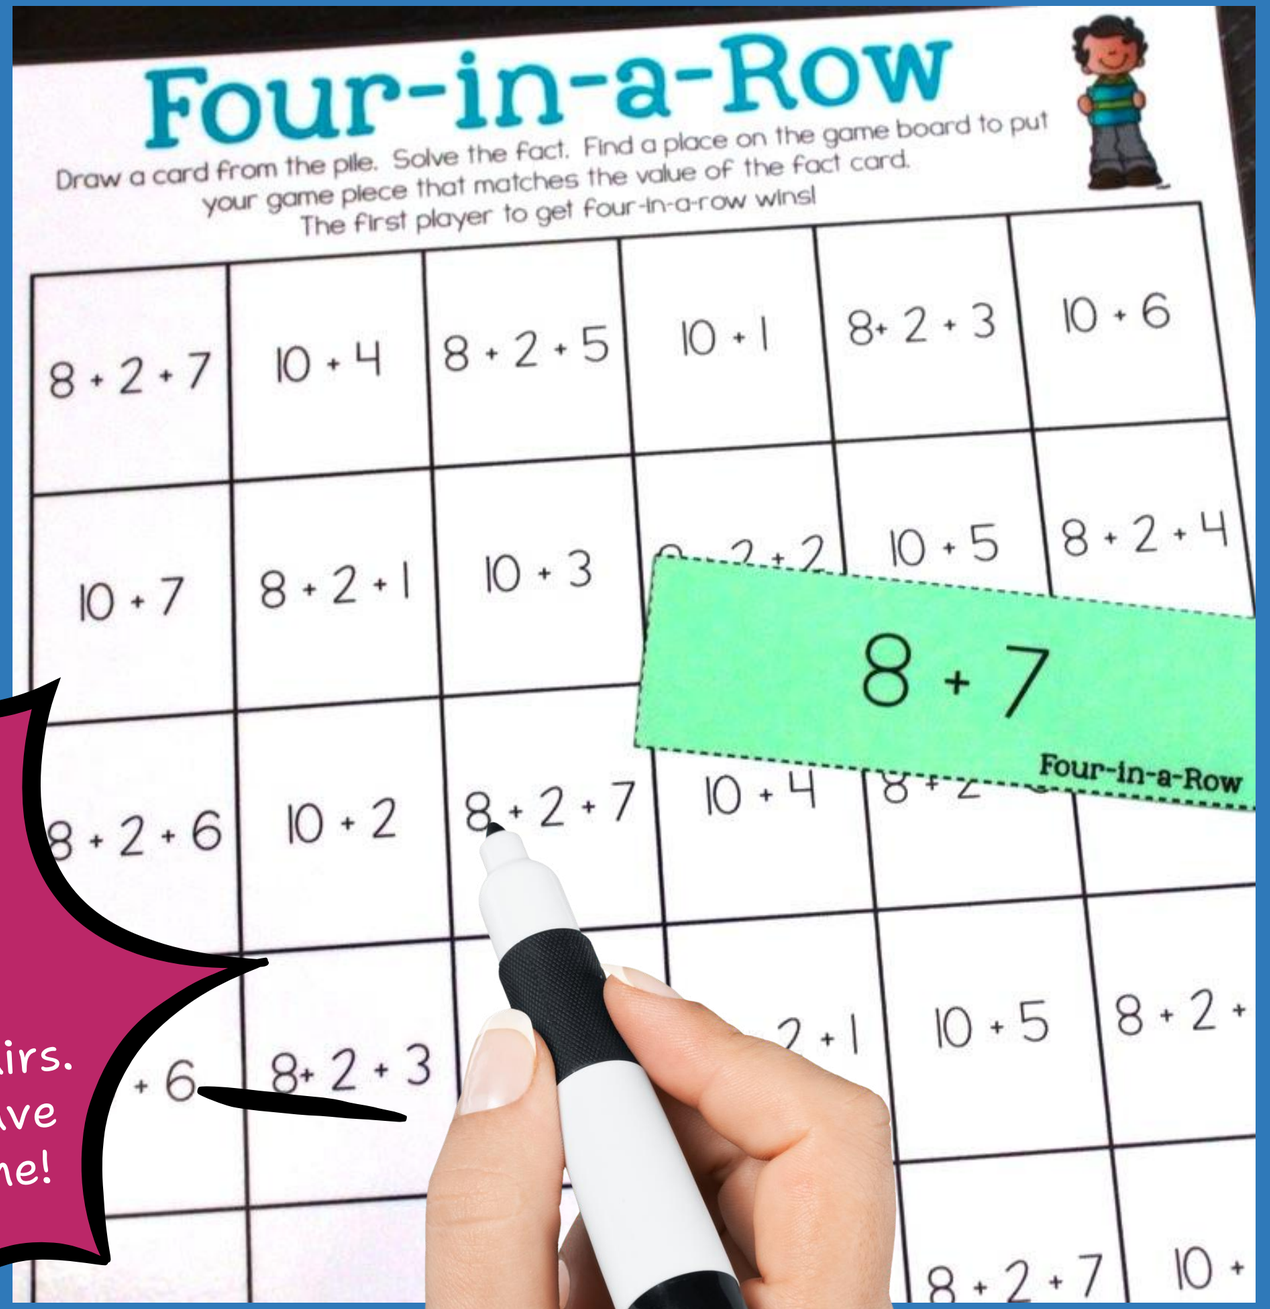

Students select a card from the deck to move to the +10 fact that aids in solving the math fact.

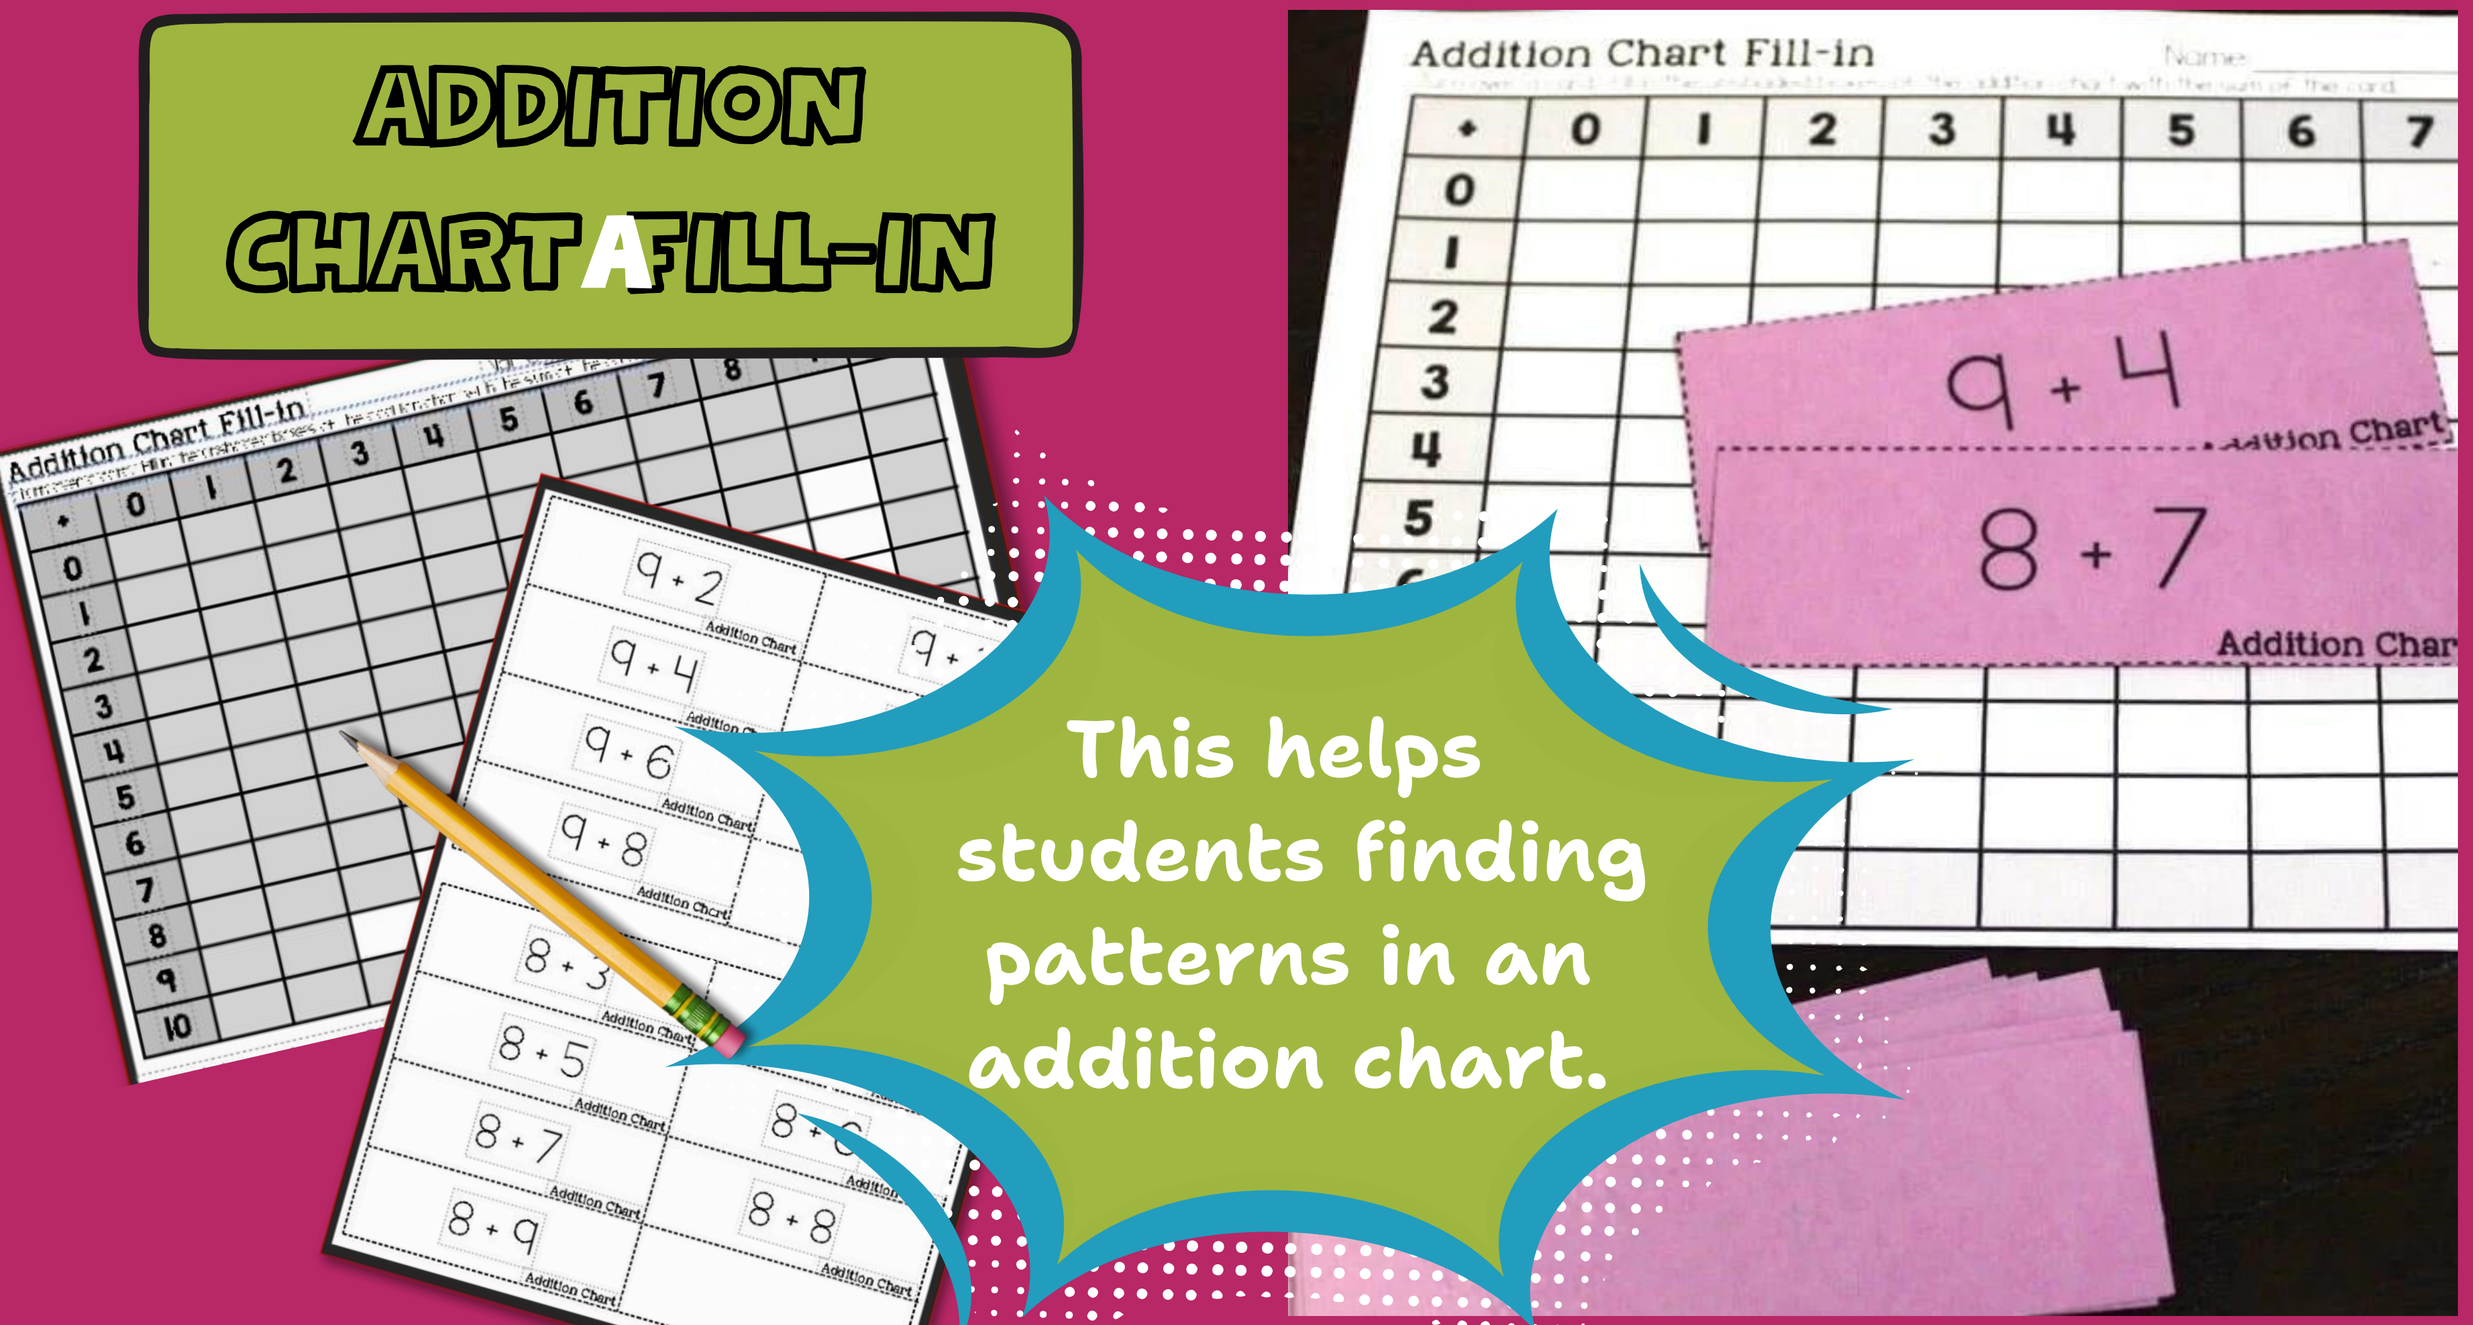

FOUR-IN-A-ROW

This game can be found in individual versions of +9 and +8, as well as a combined version of +9 & +8.

"I was a little hesitant to spend the money on this pack, but I am so glad I did! It was accurate and included wonderful activities for my students to do in small groups/pairs. I am so happy and excited to have these resources for years to come! Thanks so much!"

ADDITION CHART FILL-IN

THANK YOU & STAY CONNECTED

My passion is making learning accessible to all students. I love scaffolding learning., breaking down the concepts and building them up so that students can see the connections. I love figuring out the small components that build up to the big ideas and helping students see it all.
