READ, RESEARCH, AND WRITE

ALBATROSS

ANIMAL RESEARCH

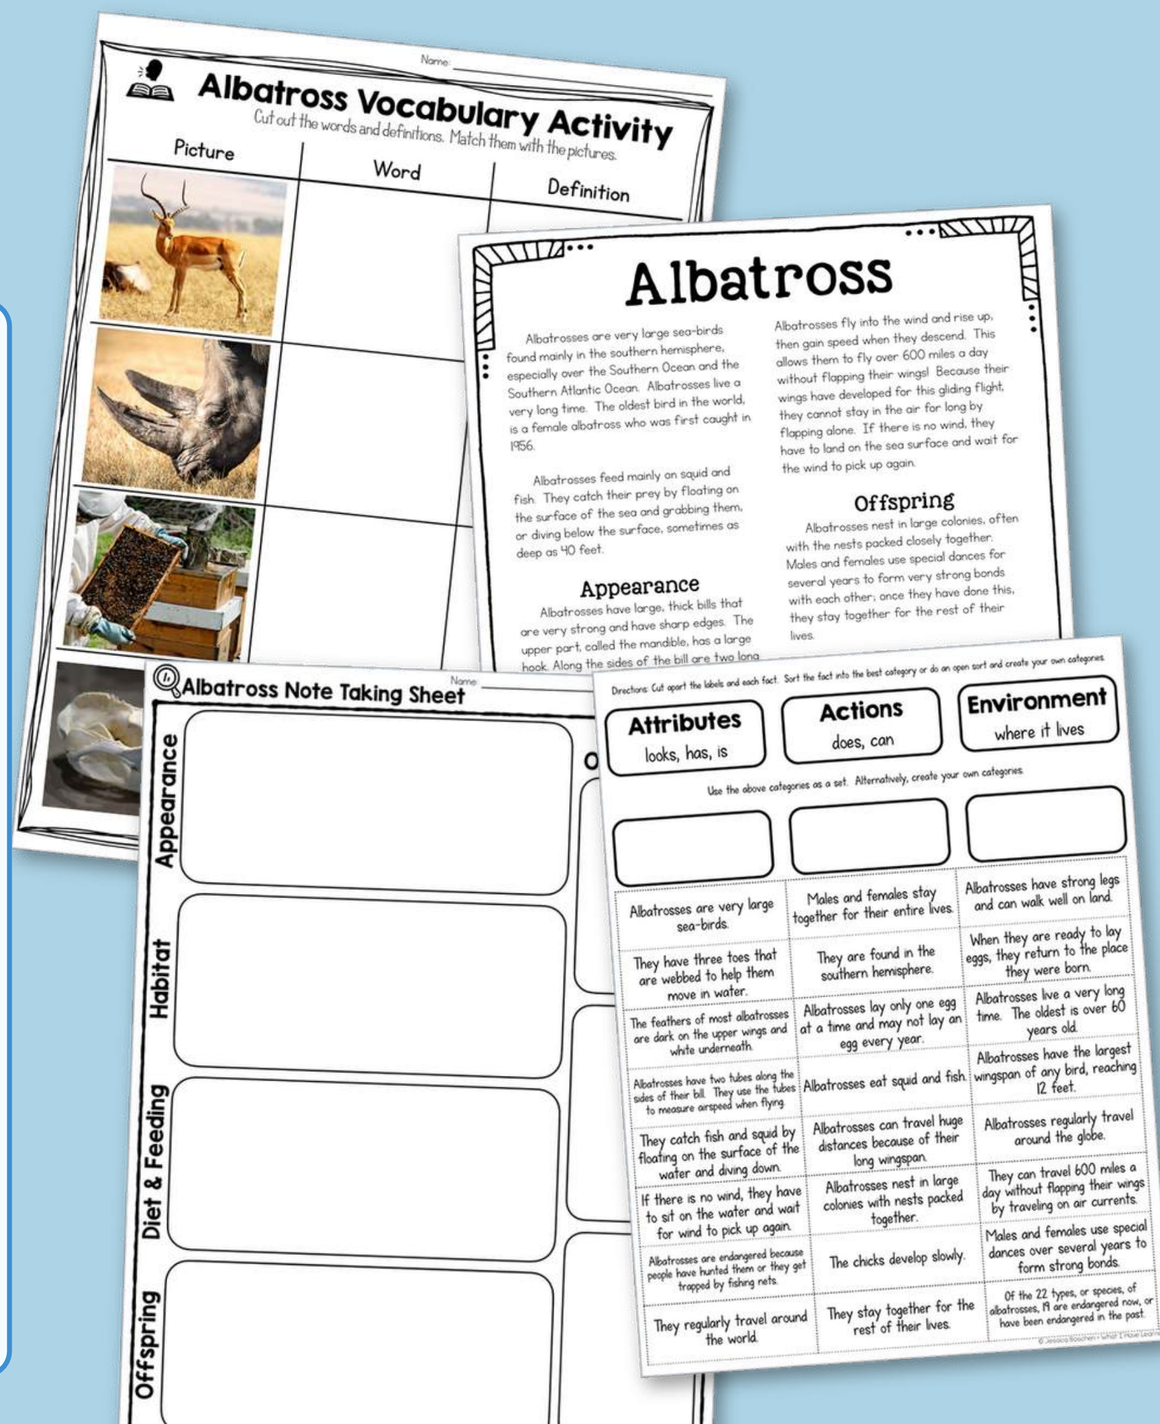

Informational Articles, Activities, and Writing

KEEP SCROLLING TO SEE WHAT'S INSIDE!

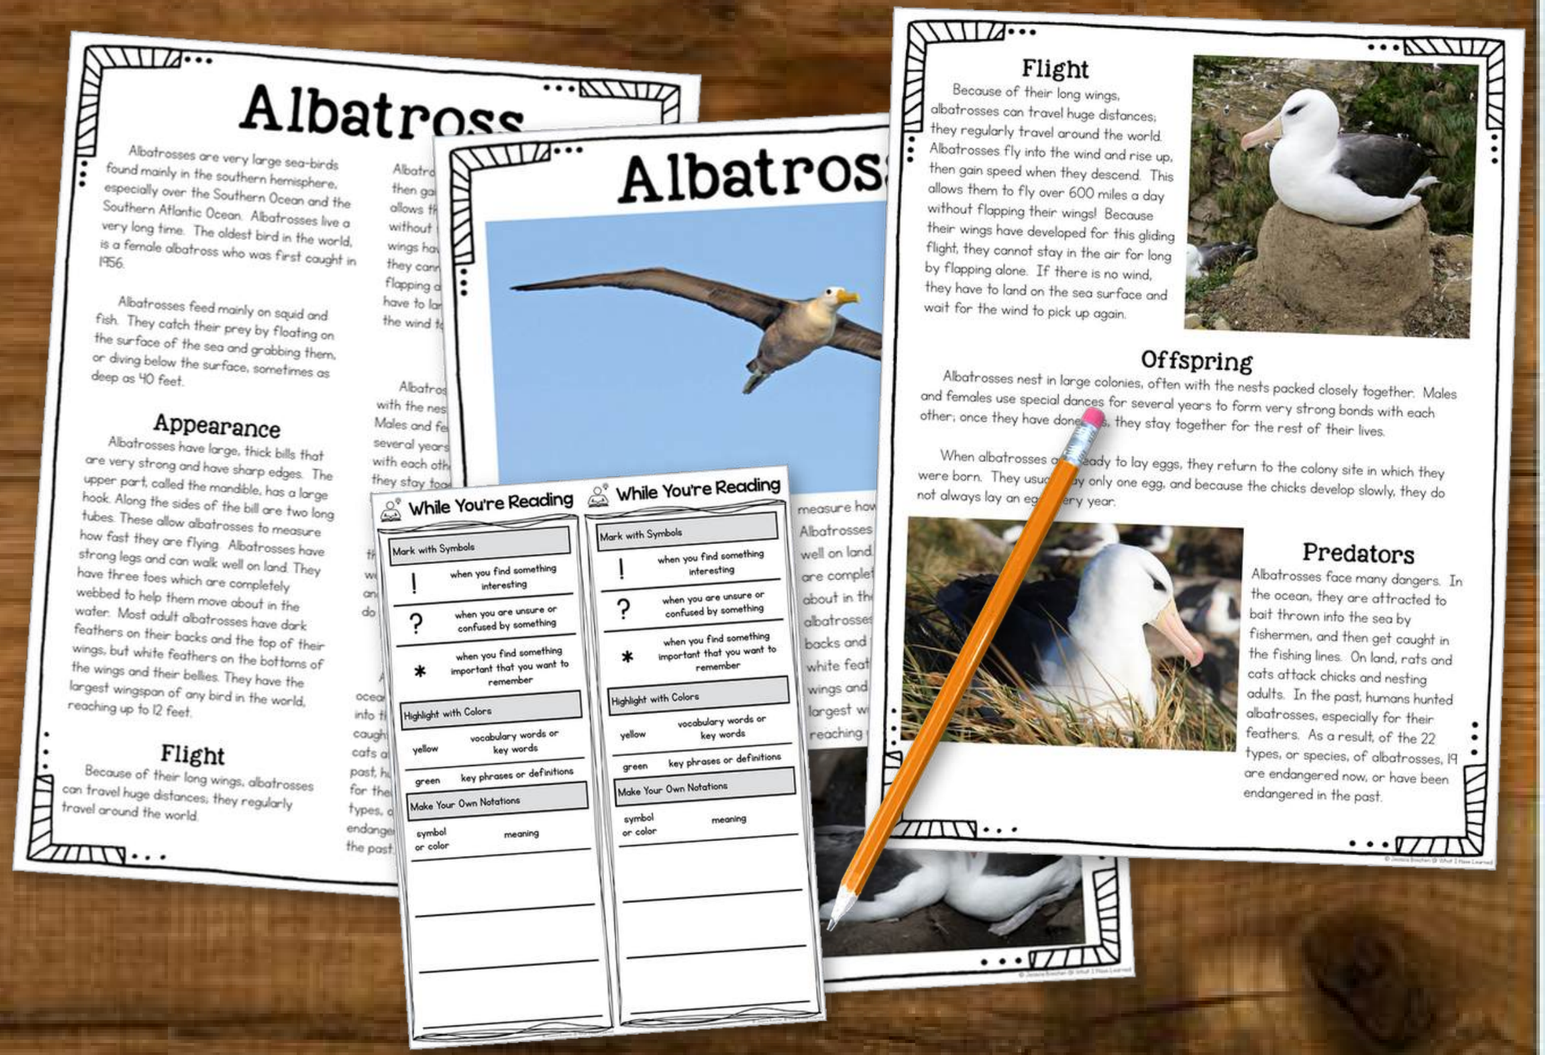

WHAT'S INCLUDED

Read, research, and write

- 1-page and 2-page informational articles
- Vocabulary cards and cut-and-paste activities
- Note-taking organizers and comprehension questions
- Fact sort activities
- Informational writing pages
- Answer keys included
- QR codes for safe video research

READ

Article comes in two formats.

Meet an animal in its habitat

1 ARTICLE

Students read a clear informational article about albatross.

2 NOTICE DETAILS

Students look for facts about the albatross's appearance, habitat, diet, and behavior.

3 DIFFERENT FORMATS

Teachers choose the article format that fits students' reading needs.

RESEARCH

Research pages make independent fact gathering manageable

Gather facts about albatross

1 WATCH AND RESEARCH

Students use one QR-code page to find a safe video source for research about albatross.

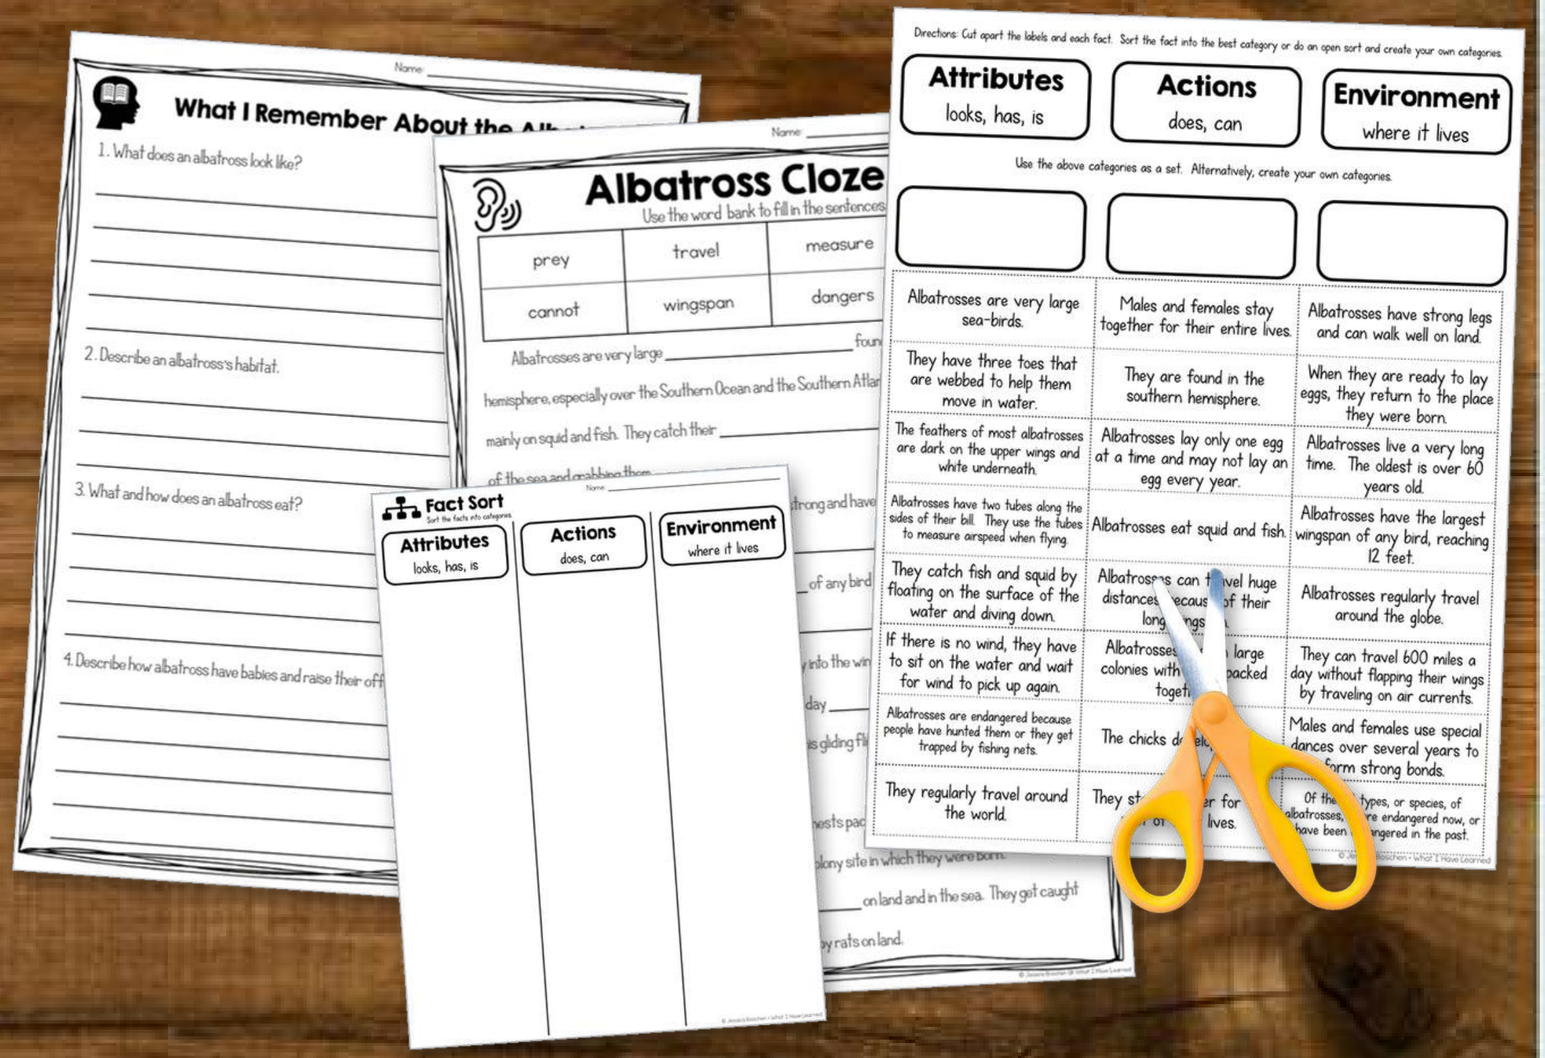

2 TAKE NOTES

Students record facts about the albatross's body, habitat, behavior, and life cycle.

3 BUILD VOCABULARY

Students use picture cards and activities to practice important animal words.

ORGANIZE

Comprehension and sorting pages prepare students to write

Sort facts about albatross

1 REMEMBER

Students recall important facts after reading about albatross.

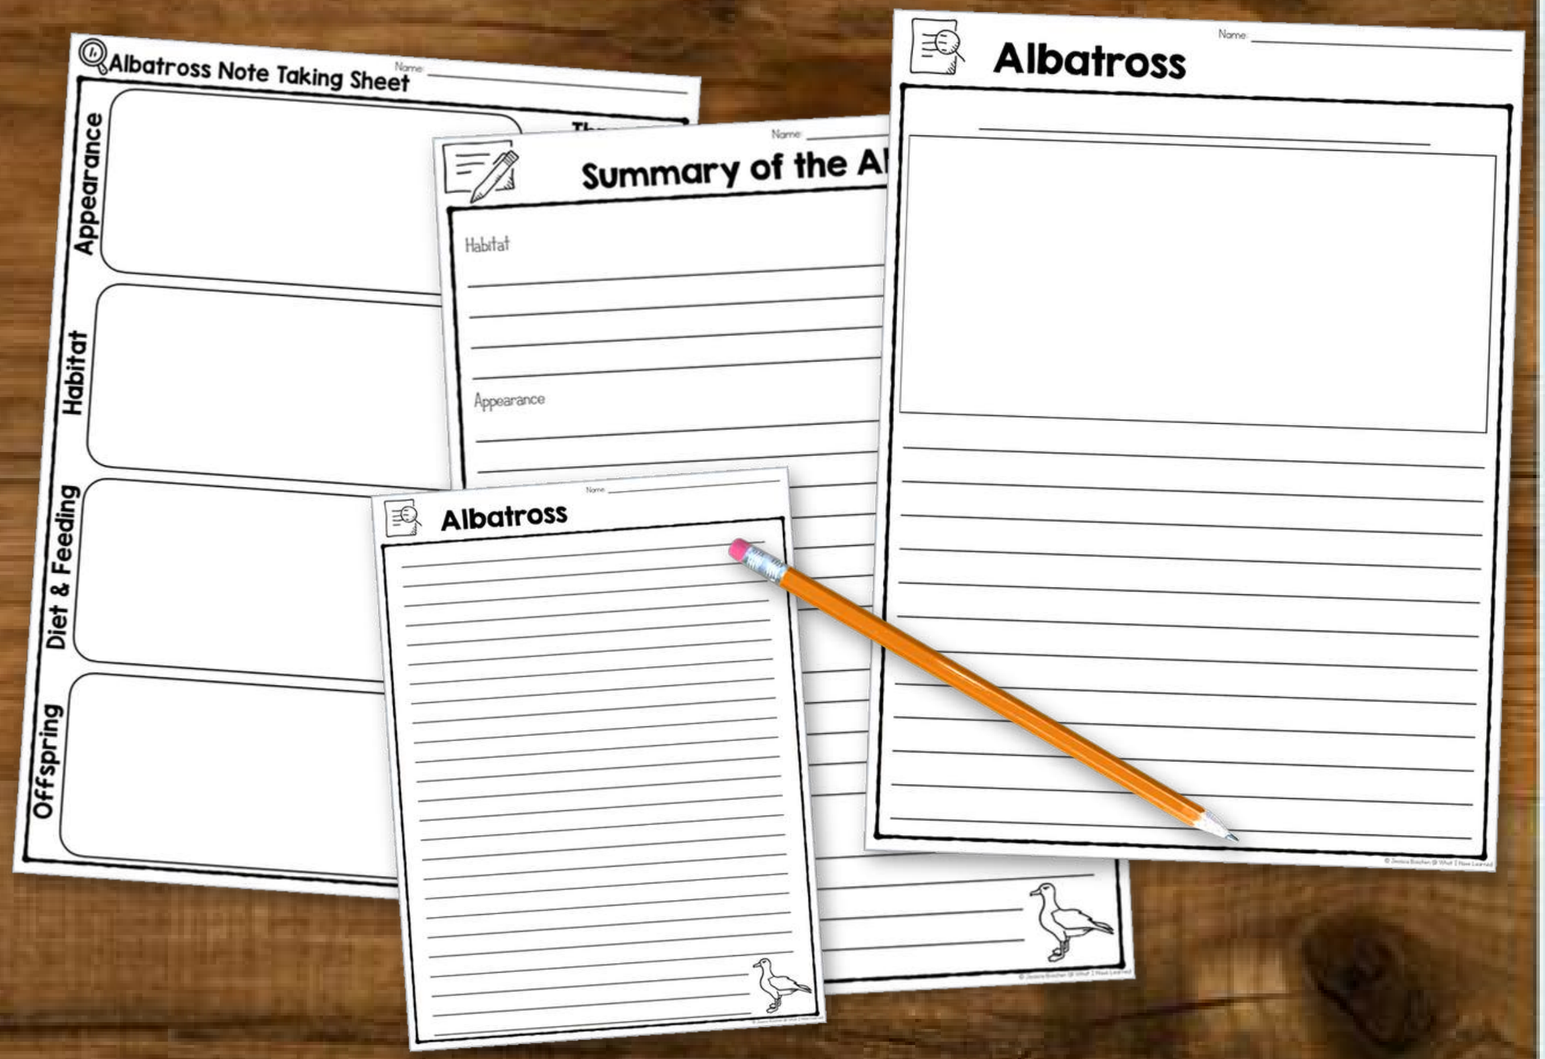

2 CHECK UNDERSTANDING

Students complete a cloze activity using key vocabulary and facts.

3 SORT FACTS

Students organize information into clear categories before writing.

WRITE

From organized notes to a finished informational report

Turn notes into an albatross report

1 PLAN

Students use note-taking pages to collect and organize research.

2 SUMMARIZE

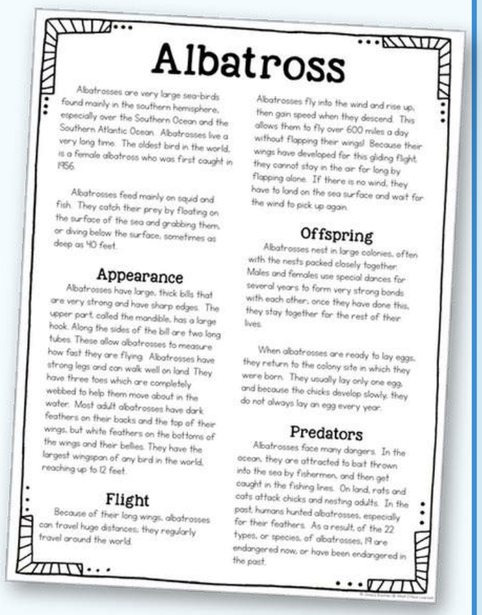

Students turn facts into a focused summary about albatross.

3 WRITE

Students use report pages to explain what they learned.

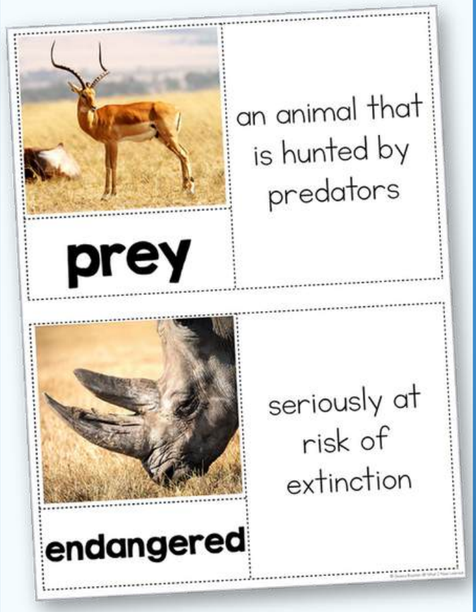

FROM READING TO ANIMAL RESEARCH WRITING

READ

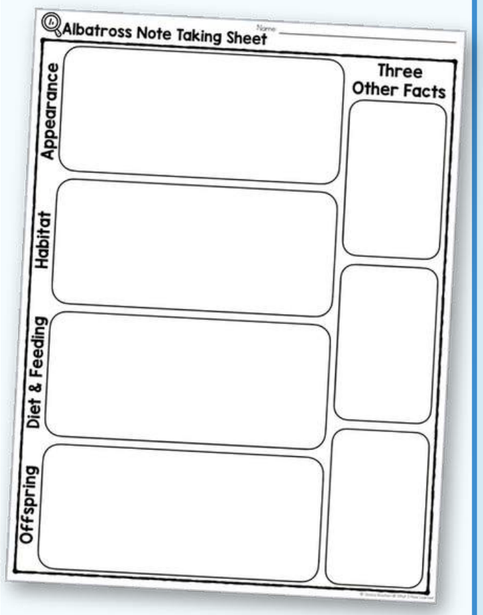

Read an informational article about albatross in a format that fits your students.

LEARN

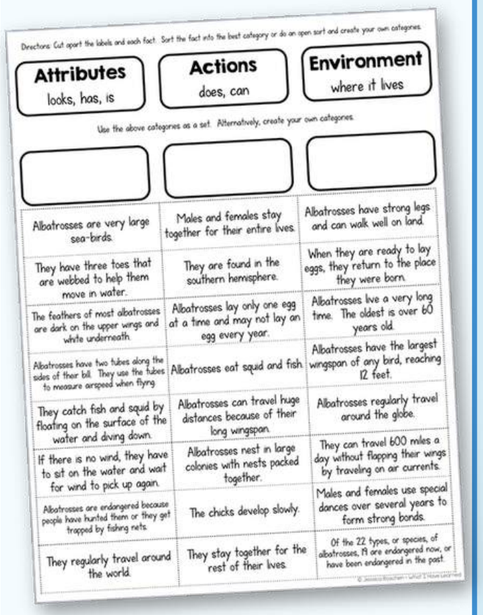

Build vocabulary with picture cards and activities about albatross features and habitats.

RESEARCH

Gather facts about the albatross's appearance, habitat, diet, and behavior.

ORGANIZE

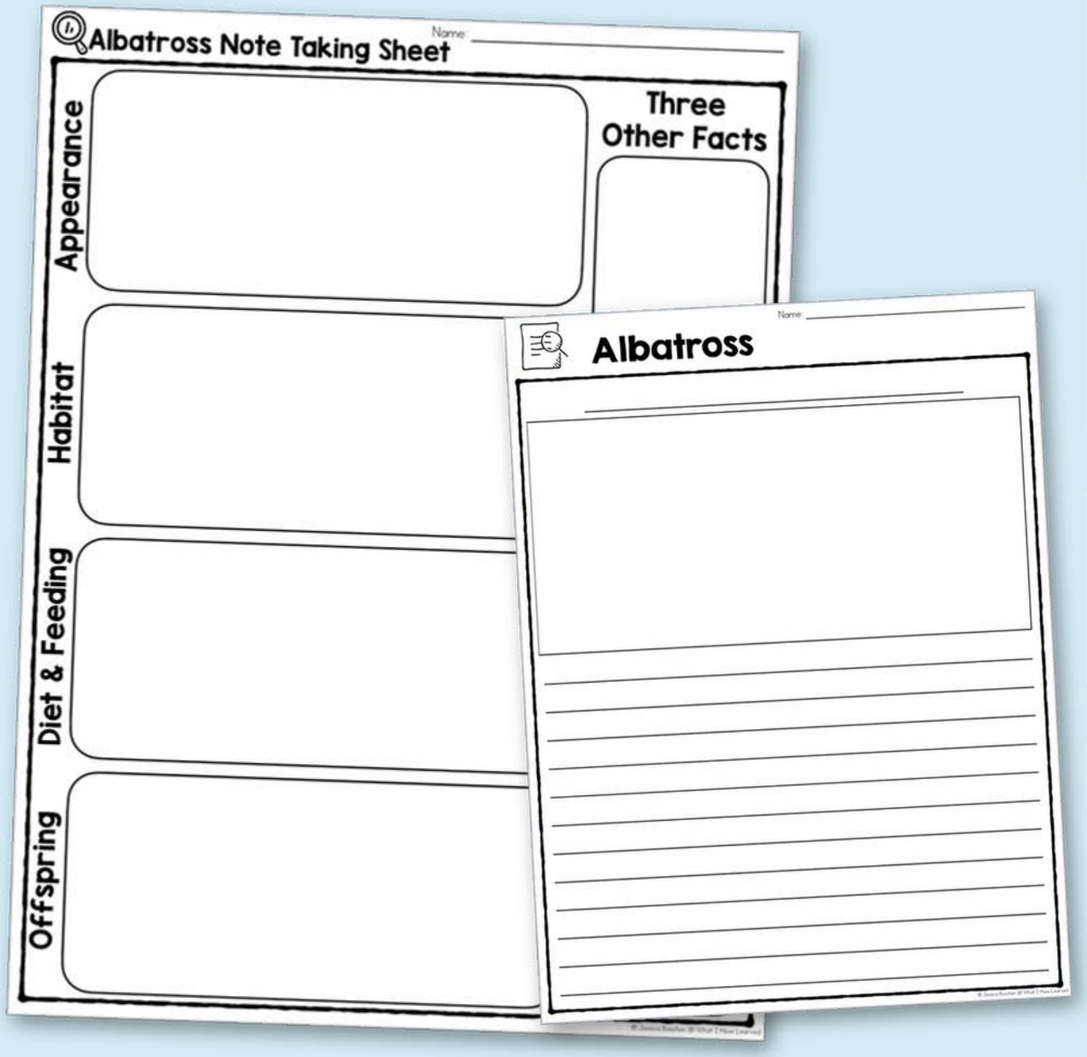

Sort facts into appearance, habitat, behavior, and life cycle categories.

WRITE

Use the writing pages to turn notes into an animal research report about albatross.

WAYS TO USE THIS RESOURCE

1

ANIMAL STUDY

Use the articles and vocabulary pages during a science or nonfiction unit about albatross.

2

GUIDED READING

Choose the article format and comprehension pages that fit your readers.

3

ANIMAL RESEARCH

Use QR-code research and note-taking sheets to collect facts from multiple sources.

4

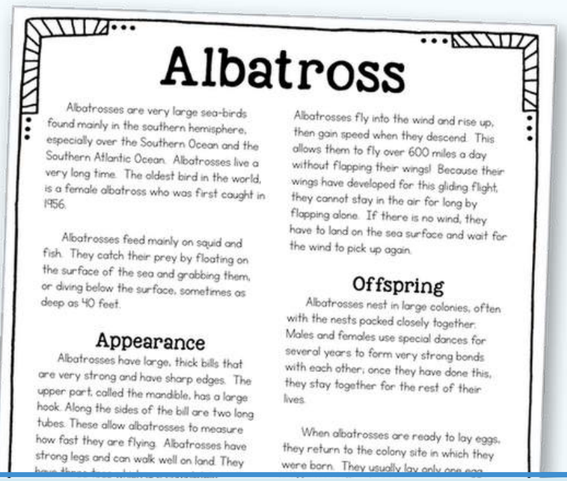

INFORMATIONAL WRITING

Move from organized notes to a clear report about albatross.

YOU WILL LOVE THIS BECAUSE

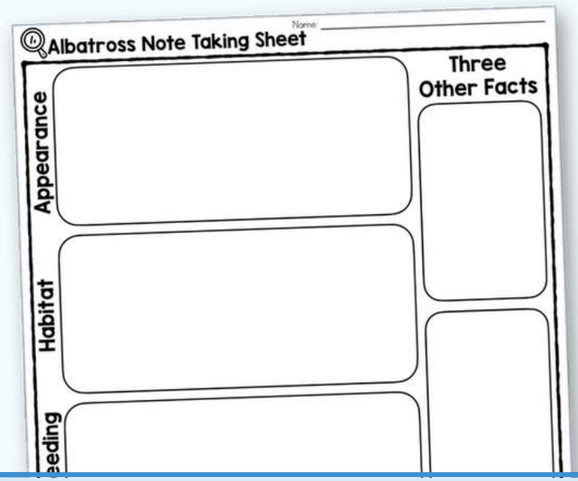

PERFECT FOR SCIENCE AND ELA

Students read, write, sort, and research while learning about albatross adaptations and habitats.

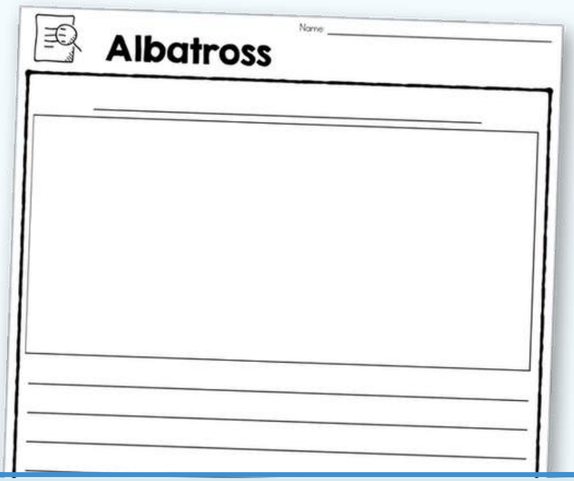

SAVES TIME WITH CONSISTENT LAYOUTS

Clear article, activity, and writing pages make planning simple and support independent work.

SUPPORTS ANIMAL RESEARCH

Vocabulary cards, fact sorts, and note-taking organizers help students prepare an informational report.

TEACHERS LOVE IT!

★★★★★

I used this as a supplemental activity when reading the book, "The Voyage of the Dawn Treader" from the Narnia series. There's a part in the book when the characters see this type of bird, and this was an interesting way for students to learn more about it. Thank you!

Nicole Caldwell

★★★★★

Perfect resource for learning about the Albatross! I love that there are many activities included in this bundle, such as reading passages, fill in the blanks and cut and paste to name a few. Very engaging and worthwhile. Thank you!

Diva S.

★★★★★

Great resource!

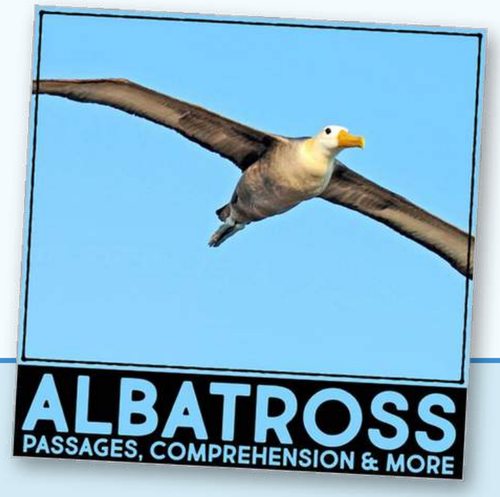

J S.

READY FOR YOUR CLASSROOM

- **Informational articles in two formats**
- **Vocabulary, comprehension, and research activities**
- **Note-taking and informational writing pages**

My passion is making learning accessible to all students.
I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections.
I love figuring out the small components that build up to the big ideas and helping students see it all.
