

Short Vowel Digraphs

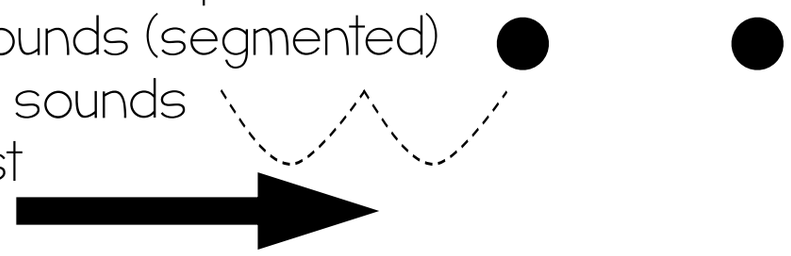

Blending Cards

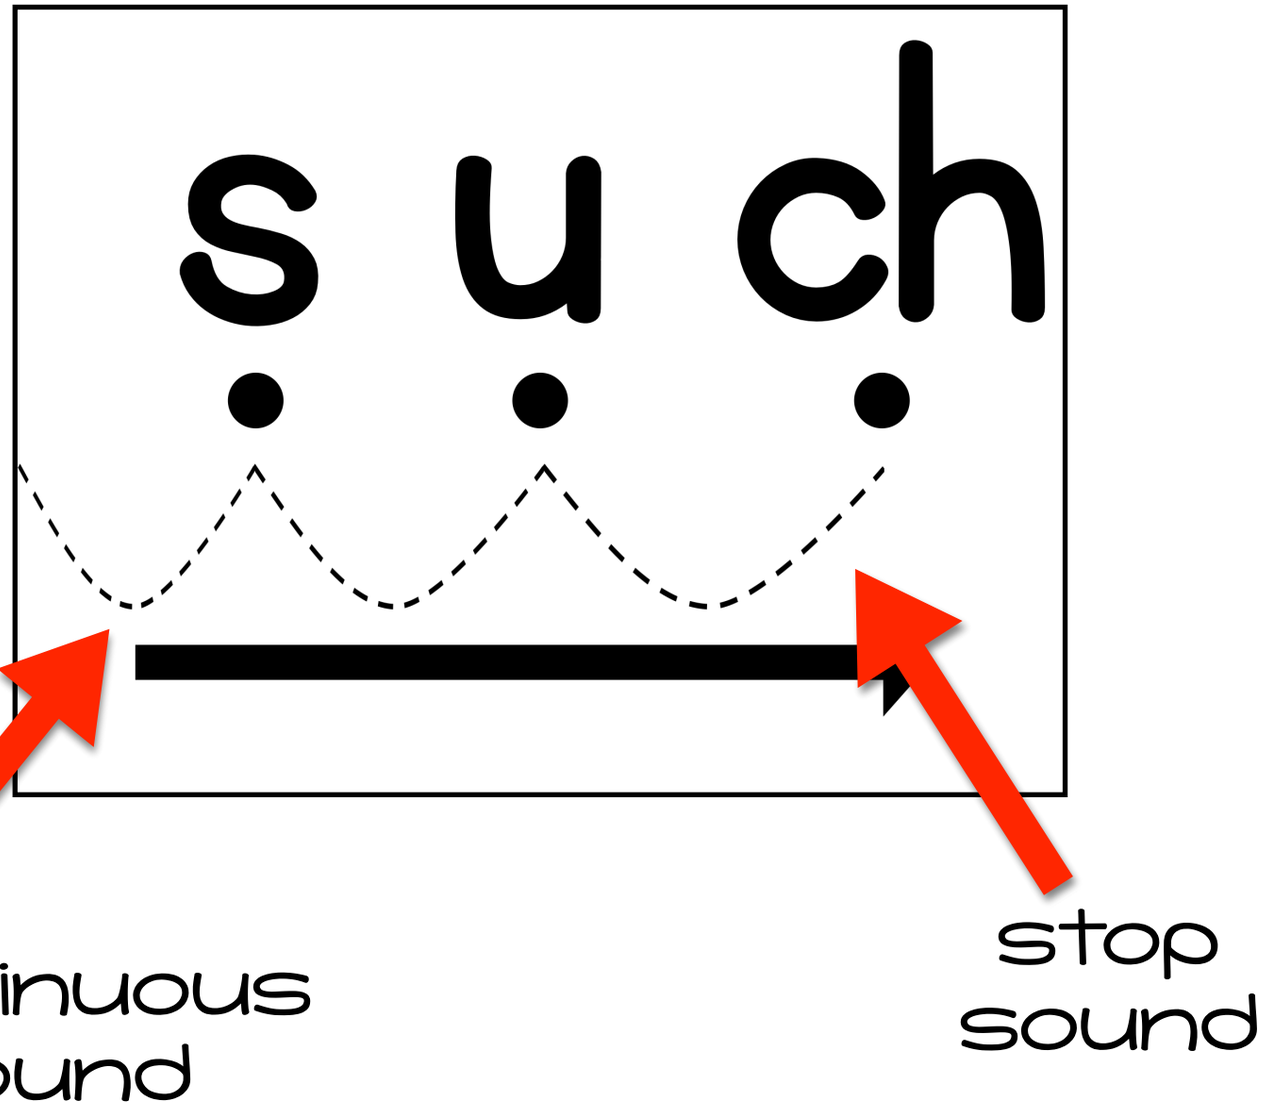

Initial & Final Positions

Teacher Notes

The cards in this packet are short vowel digraphs common for Kindergarten or First Grade reading. Included are digraphs: /ch/, /sh/, /th/ (voiced and unvoiced), /wh/. If you would like additional words added, please email me. I'm happy to add them.

The cards are set up so that students:
1. say the sounds (segmented)
2. blend the sounds
3. say it fast

If the beginning and ending sounds are continuous sounds, the blending dotted lines start and end before and after the letter to show it's a continuous sound.

If it's a stop sound, the blending line starts and stops at that sound. When teaching students to blend the sounds, emphasize the continuous flow of the sounds. Stop sounds will be quickly blended with vowel sound next to them.

Printing

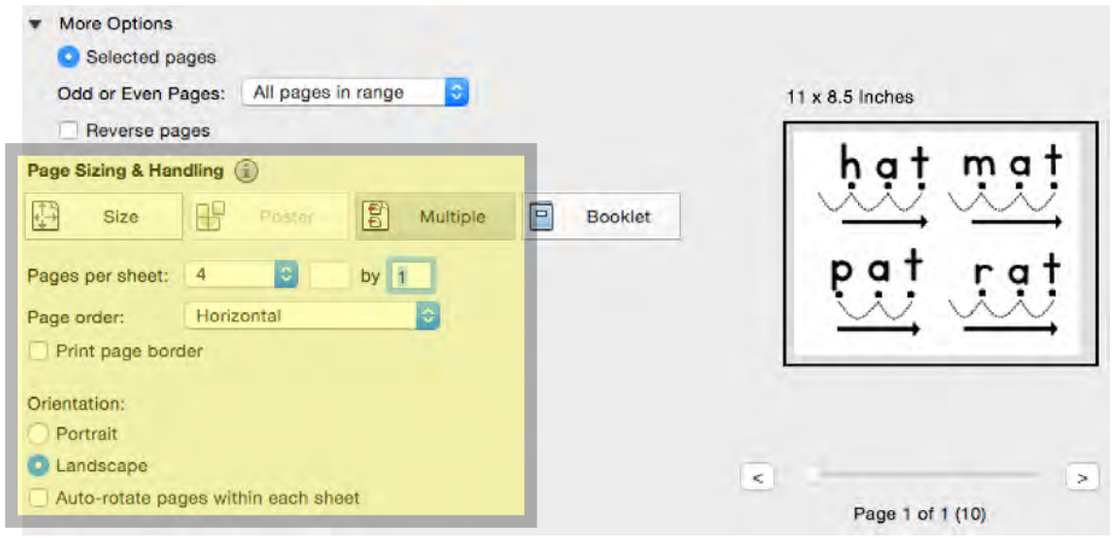

All the cards are created full-page to use whole class. Print on card stock or post them on your board to create a hard surface. Laminate for durability.

You can also print the cards four to a page, hole punch, and place them on a ring or use them in an interactive notebook. The smaller size is great for small groups or individual students.

The following blending cards and corresponding images are all in black and white. This makes for easy printing and easy differentiation. Simply print the cards on colored paper to differentiate between different vowel patterns.

Each card measures approximately 2.5" tall, which is a perfect size for most pocket charts.

Most of the images correspond to the images in the Back to Basics Phonics Worksheets.

Sort just the blending cards, just the images, or match both together.
