

GRADES 2–3

READ, RESEARCH, AND WRITE

BEES

ANIMAL RESEARCH

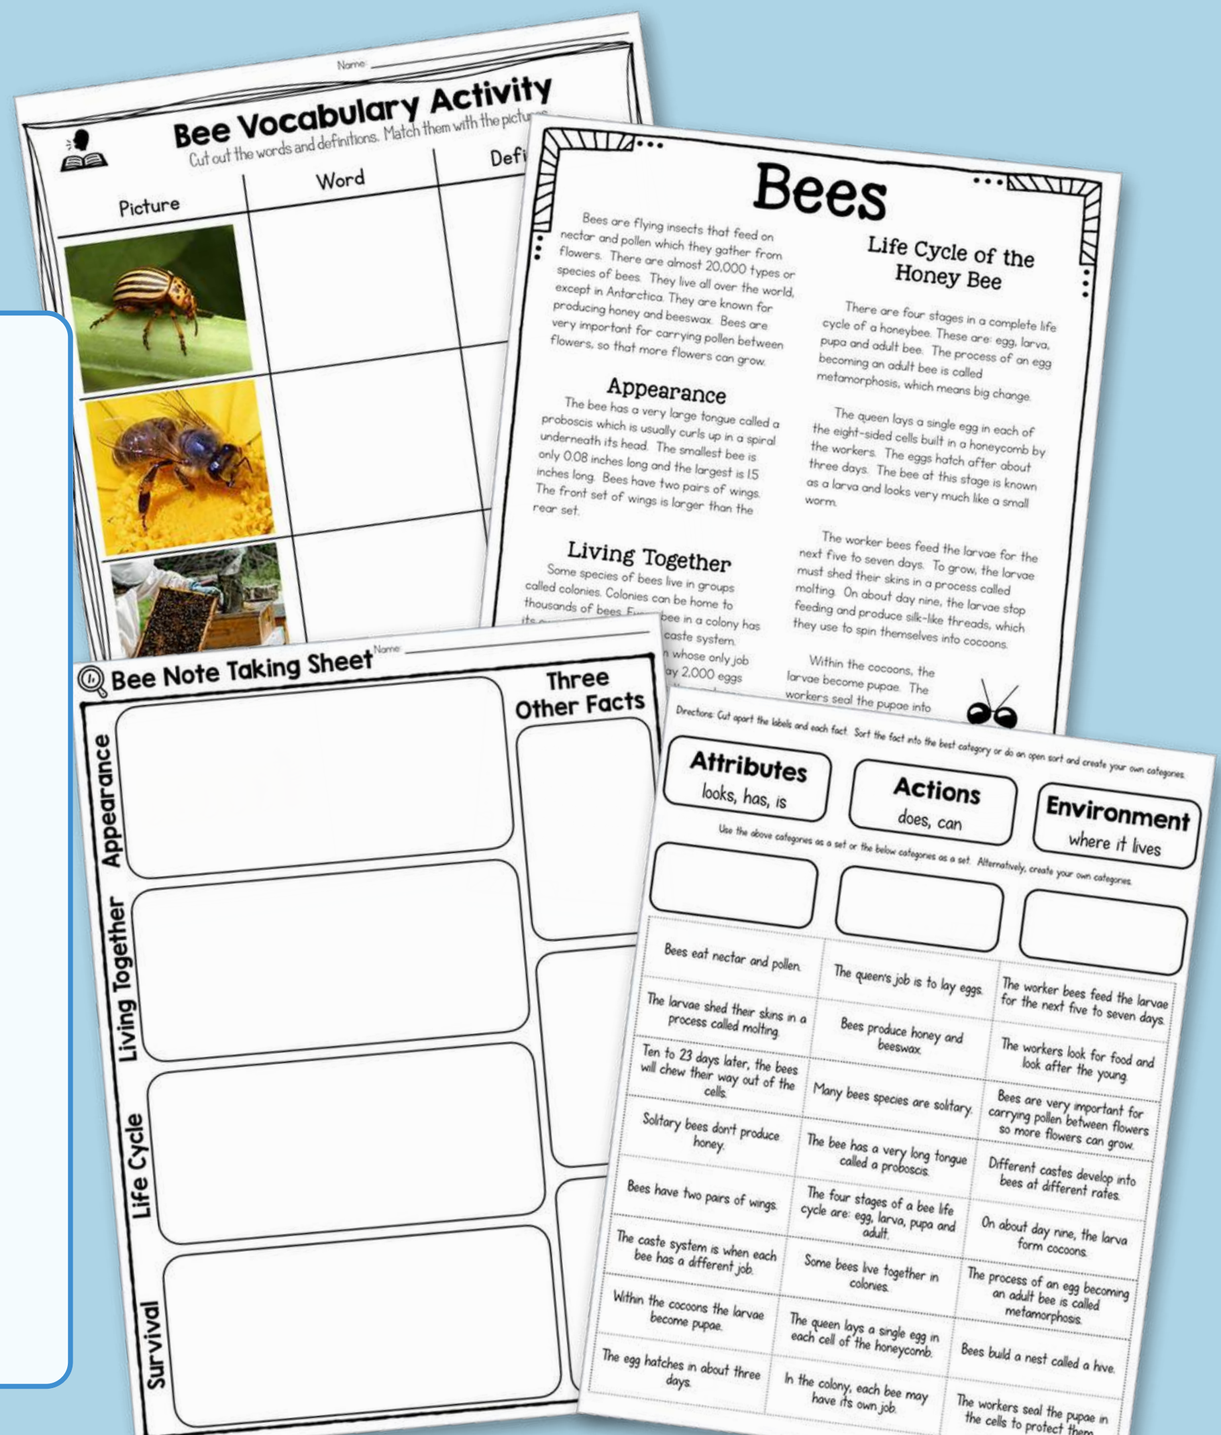

Informational Articles, Activities, and Writing

KEEP SCROLLING TO SEE WHAT'S INSIDE!

WHAT'S INCLUDED

Read, research, and write

- 1-page and 2-page informational articles
- Vocabulary cards and cut-and-paste activities
- Note-taking organizers and comprehension questions
- Fact sort activities
- Informational writing pages
- Answer keys included
- QR codes for safe video research

READ

Article comes in two formats.

Meet an animal in its habitat

1 ARTICLE

Students read a clear informational article about bees.

2 NOTICE DETAILS

Students look for facts about the bees's appearance, habitat, diet, and behavior.

3 DIFFERENT FORMATS

Teachers choose the article format that fits students' reading needs.

RESEARCH

Research pages make independent fact gathering manageable

Gather facts about bees

1 WATCH AND RESEARCH

Students use one QR-code page to find a safe video source for research about bees.

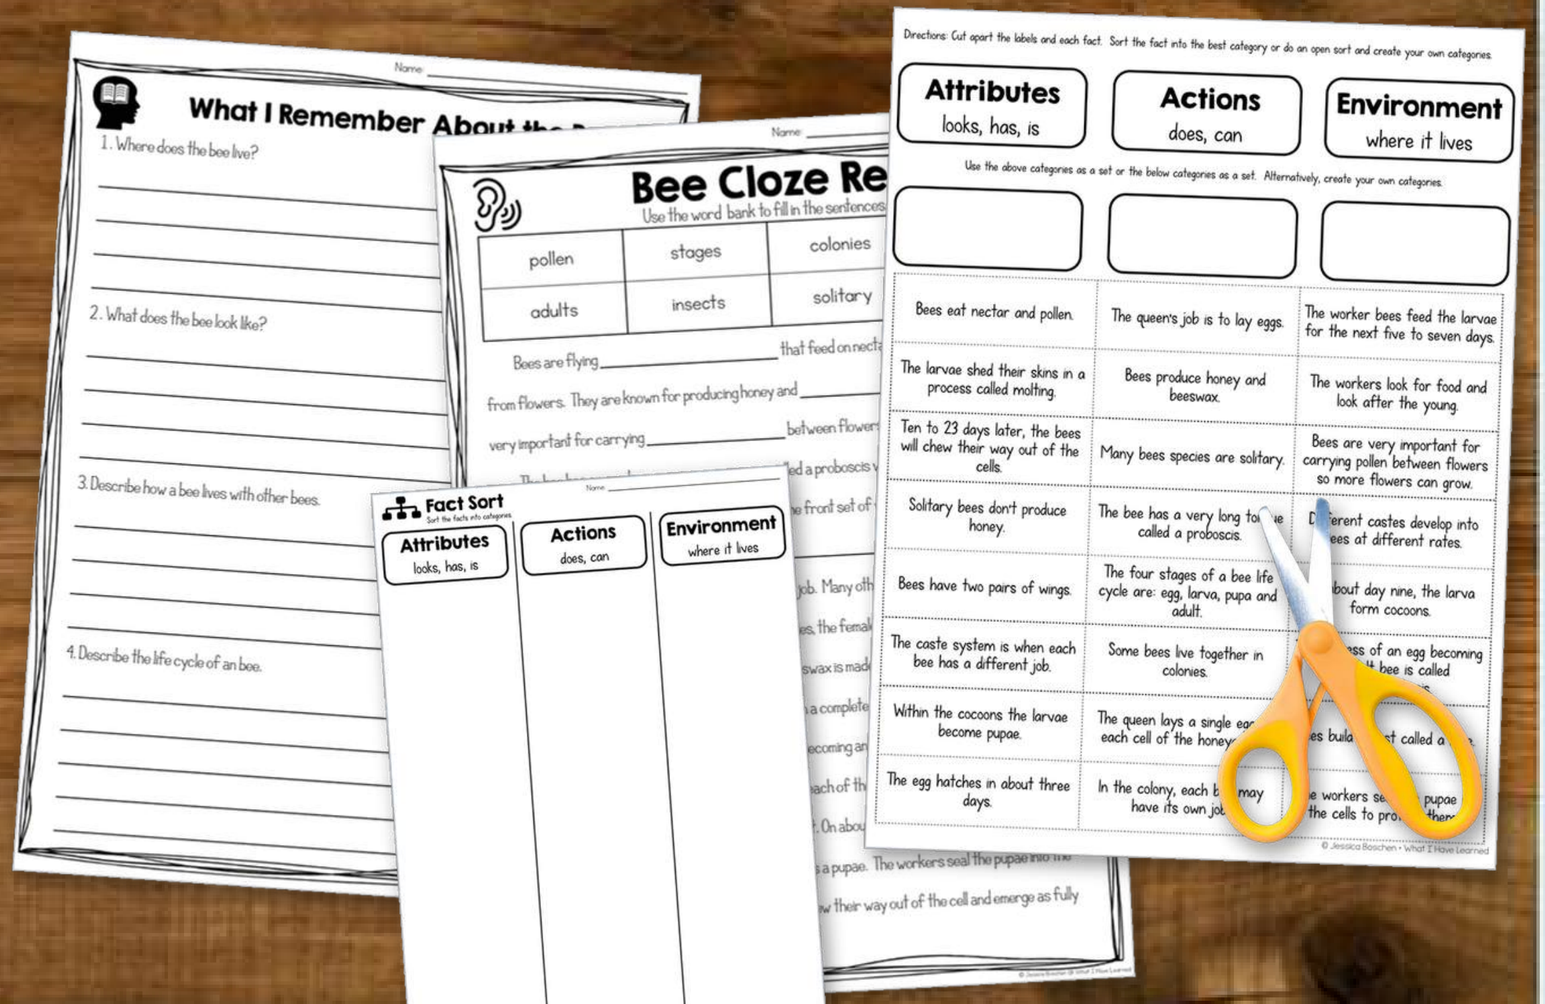

2 TAKE NOTES

Students record facts about the bees's body, habitat, behavior, and life cycle.

3 BUILD VOCABULARY

Students use picture cards and activities to practice important animal words.

ORGANIZE

Comprehension and sorting pages prepare students to write

Sort facts about bees

1 REMEMBER

Students recall important facts after reading about bees.

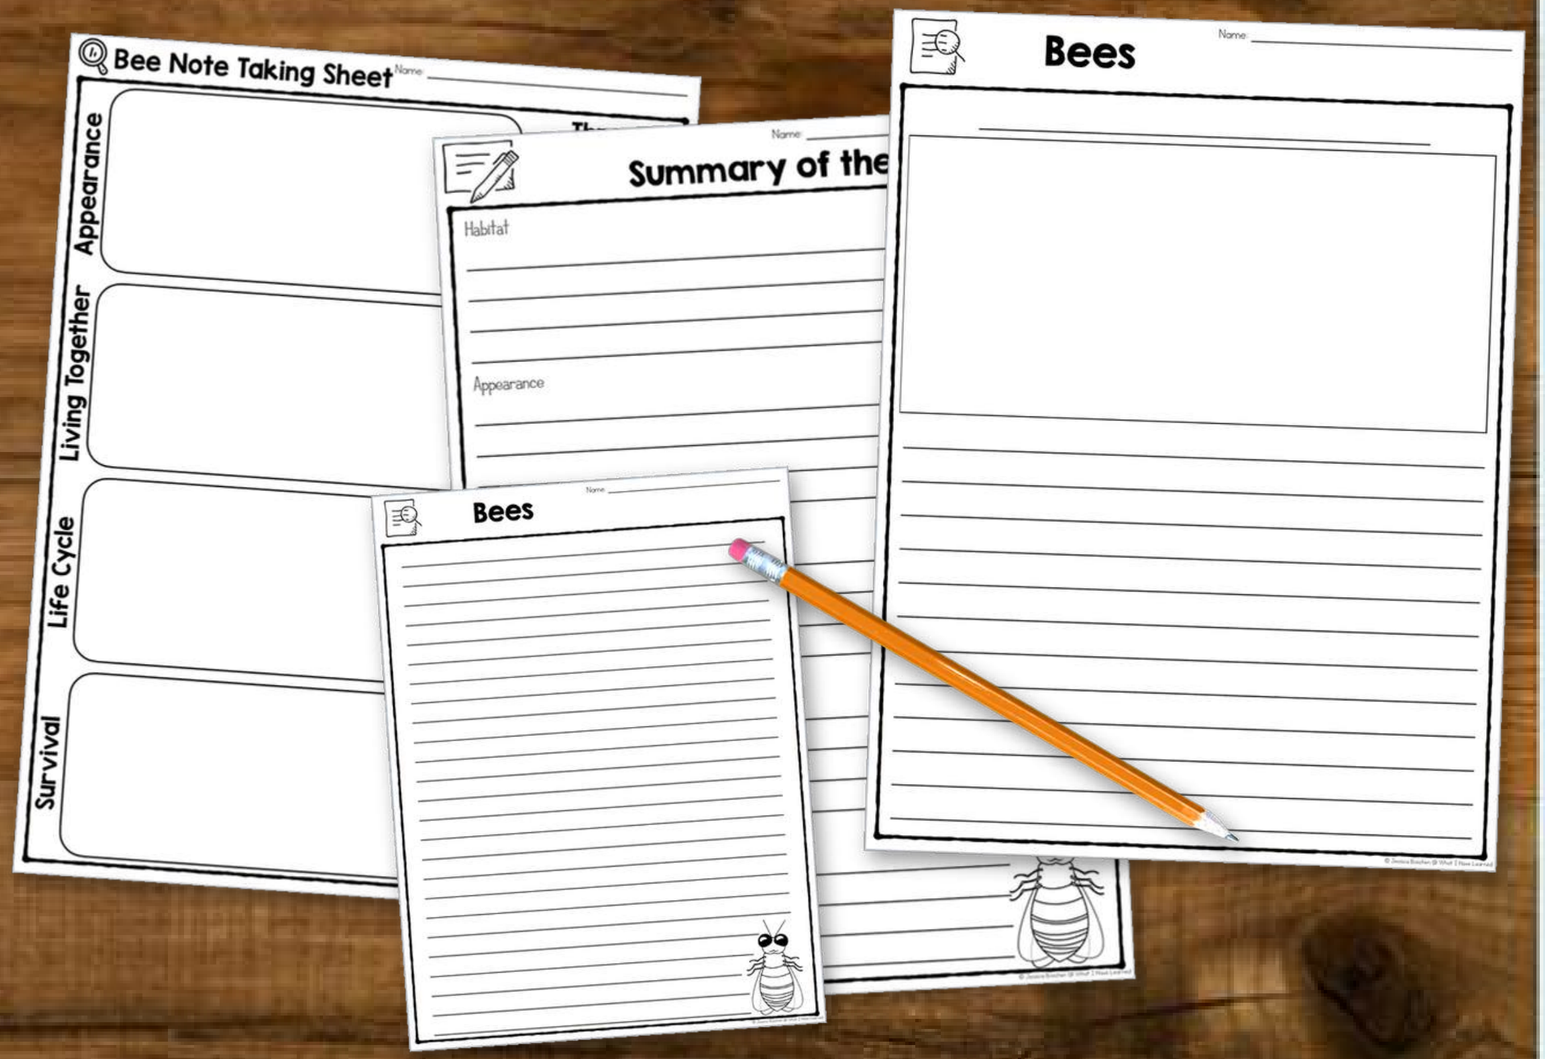

2 CHECK UNDERSTANDING

Students complete a cloze activity using key vocabulary and facts.

3 SORT FACTS

Students organize information into clear categories before writing.

WRITE

From organized notes to a finished informational report

Turn notes into an bees report

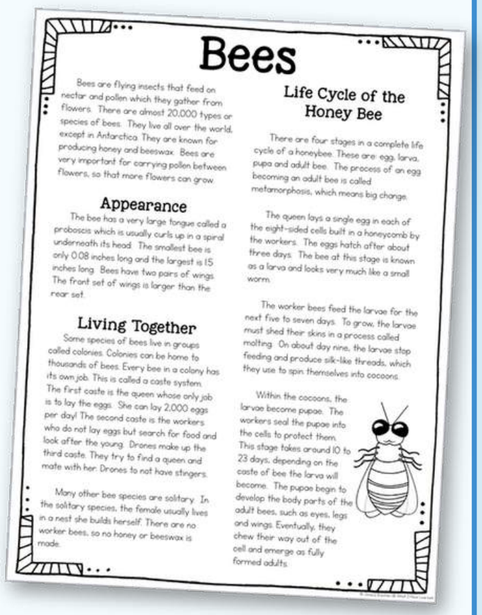

1 PLAN
Students use note-taking pages to collect and organize research.

2 SUMMARIZE
Students turn facts into a focused summary about bees.

3 WRITE
Students use report pages to explain what they learned.

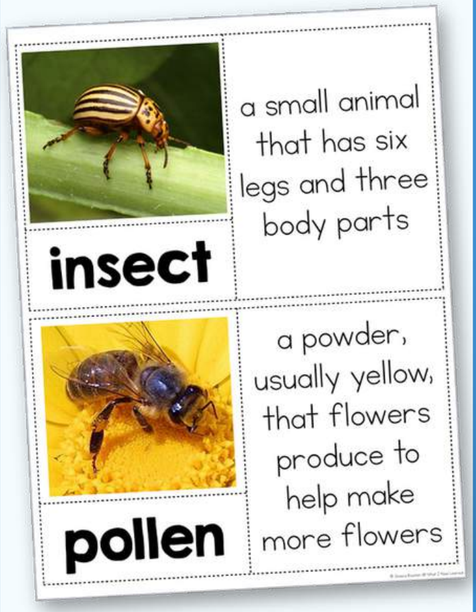

FROM READING TO ANIMAL RESEARCH WRITING

READ

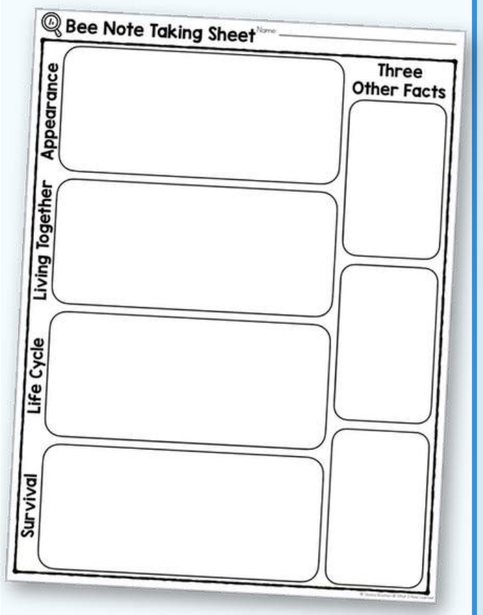

Read an informational article about bees in a format that fits your students.

LEARN

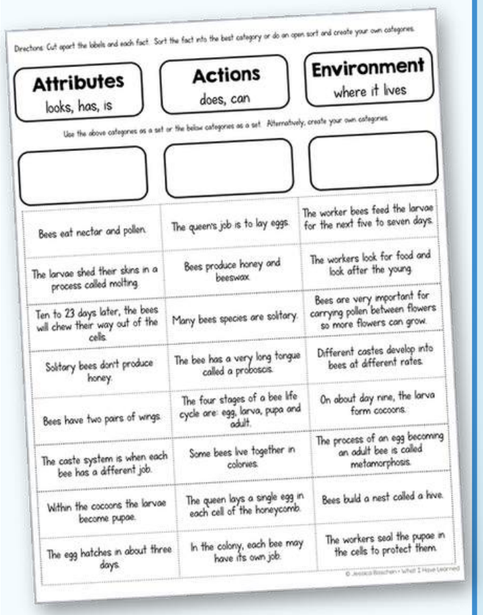

Build vocabulary with picture cards and activities about bees features and habitats.

RESEARCH

Gather facts about the bees's appearance, habitat, diet, and behavior.

ORGANIZE

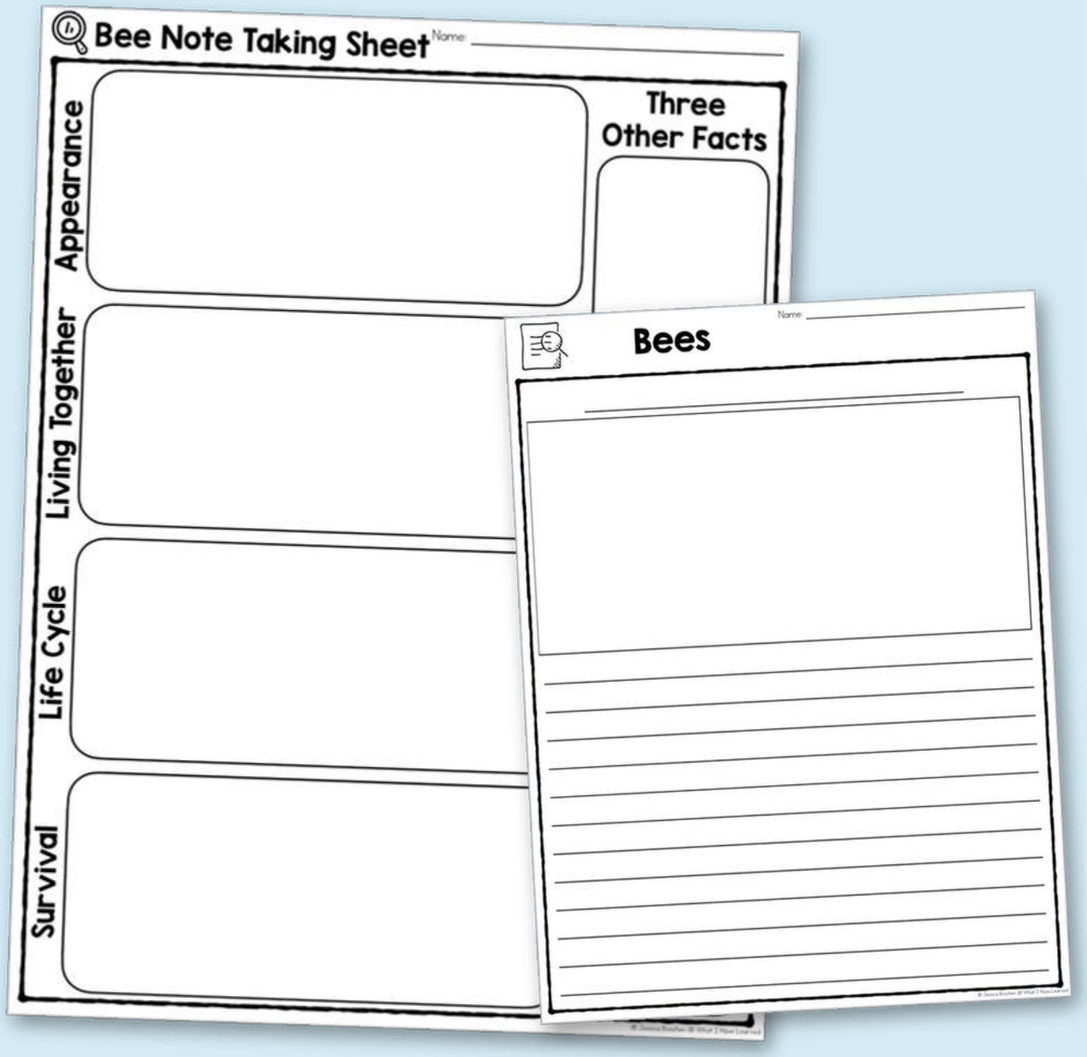

Sort facts into appearance, habitat, behavior, and life cycle categories.

WRITE

Use the writing pages to turn notes into an animal research report about bees.

WAYS TO USE THIS RESOURCE

1

ANIMAL STUDY

Use the articles and vocabulary pages during a science or nonfiction unit about bees.

2

GUIDED READING

Choose the article format and comprehension pages that fit your readers.

3

ANIMAL RESEARCH

Use QR-code research and note-taking sheets to collect facts from multiple sources.

4

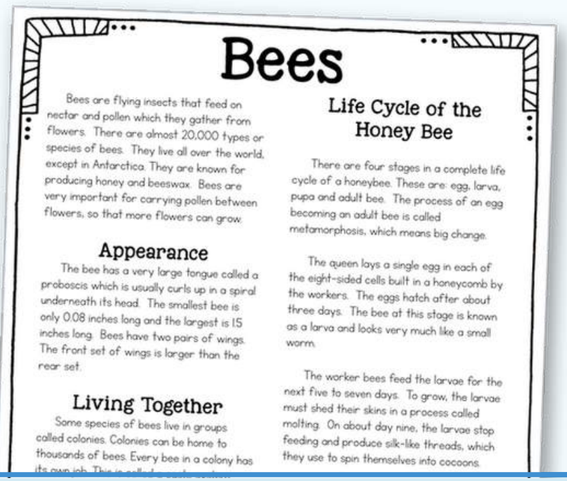

INFORMATIONAL WRITING

Move from organized notes to a clear report about bees.

YOU WILL LOVE THIS BECAUSE

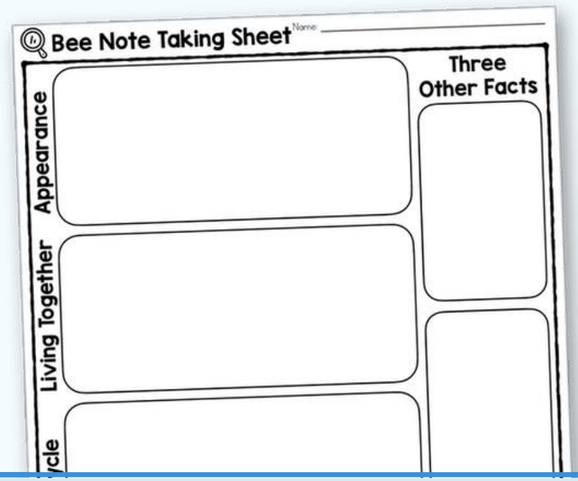

PERFECT FOR SCIENCE AND ELA

Students read, write, sort, and research while learning about bees adaptations and habitats.

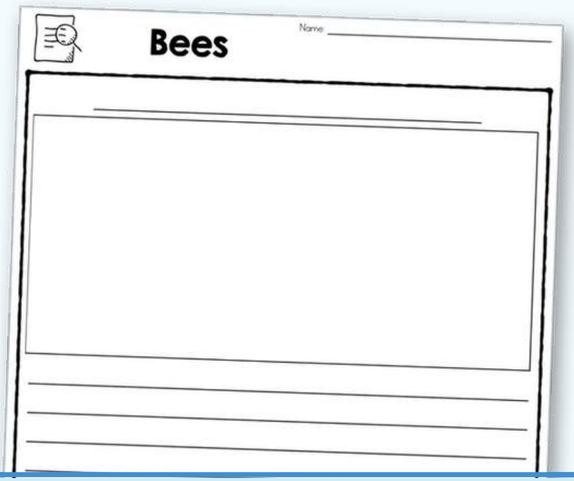

SAVES TIME WITH CONSISTENT LAYOUTS

Clear article, activity, and writing pages make planning simple and support independent work.

SUPPORTS ANIMAL RESEARCH

Vocabulary cards, fact sorts, and note-taking organizers help students prepare an informational report.

TEACHERS LOVE IT!

★★★★★

My class loved doing life cycles for our end of the year insect unit

Thomas S.

★★★★★

These nonfiction reading passages are fantastic! I love using them during our informational writing unit. They are student friendly and full of interesting information. Thank you!

Amber L.

★★★★★

My students were very engaged using this resource.

Dallas L.

READY FOR YOUR CLASSROOM

- **Informational articles in two formats**
- **Vocabulary, comprehension, and research activities**
- **Note-taking and informational writing pages**

My passion is making learning accessible to all students. I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections. I love figuring out the small components that build up to the big ideas and helping students see it all.
