## Table of Contents

|                |       |
|----------------|-------|
| Included Words | p. 3  |
| Worksheets     | p. 4  |
| Answer Key     | p. 97 |

There are 18 worksheet templates with multiple versions of most templates within each section.

The 18 templates are:

1. Color the Picture
2. Circle the Same Word
3. Read, Trace, Write
4. Read, Write, Color
5. Spell & Write
6. Match & Write
7. Circle the Word
8. Read and Check
9. Write Two Times
10. Read, Match, Write
11. Sentence Scramble Cut & Paste
12. Write a Sentence
13. Picture Sort
14. Word Sort
15. Write by Word Family
16. Cut & Paste Onset Rime
17. Cut. Paste. Write.
18. Cut & Paste Onset & Rime Write

# Words Included

The following words are included on the worksheets in this product. There are 4-7 worksheets per worksheet template. Worksheets with sentences will have previously taught words included in the sentences that may not be on this list. Worksheet #15 has a different set of words. It is the only worksheet that requires words to be grouped by word family. Sight words are used within sentences only.

| Word List                                                                                                |                                                                                                 |                                                                                 | Worksheet #15                                                                                                                                                                                    |                                                                                                                                                      |
