* A few of the missing number worksheets, while appropriate for the CVC Short Vowels or Digraphs, are too easy and repetitive for higher phonics patterns. They have been removed, but we have kept the same number sequence.
* At previous levels, we included 4-word sentences. This level has 4-7 word sentences.

Words Included

The following words are included on the worksheets in this product. Worksheets with sentences will have previously taught words included in the sentences, including short vowels, digraphs and blends. Sight words are used within sentences only.
