* The focus of this set of worksheets is on Mixed Blends. On the following pages are lists of words. Due to the many words in this set and the focus on mixing the words up, we have only included one page for worksheets #13, 14, and 15. More pages for those worksheets are available in the Initial Blends and Final Blends packets.
* A few of the missing worksheets, while appropriate for the CVC Short Vowels or Digraphs, are too easy and repetitive for the higher phonics patterns. They have been removed.
  #2 is part of the CVC Short Vowels and Digraphs. #19 is part of the Digraphs BUNDLE.
* At previous levels, we included 4-word sentences. This level has 4-7 word sentences.

# Final Blends Included

The following words are included on the worksheets in this product. Worksheets with sentences will have previously taught words included in the sentences. Crossed out words are used in the Initial or Final Blends sets but not in the Mixed Blends set. Sight words are used within sentences only.
