Third Grade Favorite Memories

This memory book belongs to:

Maria

Year 2018 - 2019

Favorite Subject

My favorite subject is Math I like Math because it's easy for me. I can multiply quickly.

Favorite Field Trip

My favorite field trip was to the zoo. This was my favorite field trip because we saw a lot of cool animals.

Favorite Book

I read a lot of books this year. My favorite book was Wonder.

I enjoyed this book because it helped me get to know people who are different than me.

My Best Friend

My best friend's name is Rachel.

Rachel is my best friend because we both like the same things.

Our favorite things to do together are jump rope, bake cookies, and play games.

Some favorite memories include laughing at a very funny joke and riding our bikes together.

My Goals for Next Year

Academic Goals

- Learn my division facts so I know them quickly.
- Read 12 charter books by January.
- Sit with [illegible] one new

Something new I want to try

I want to try roller skating.

School Goals

Participate in the Science fair next year.

Life Goals

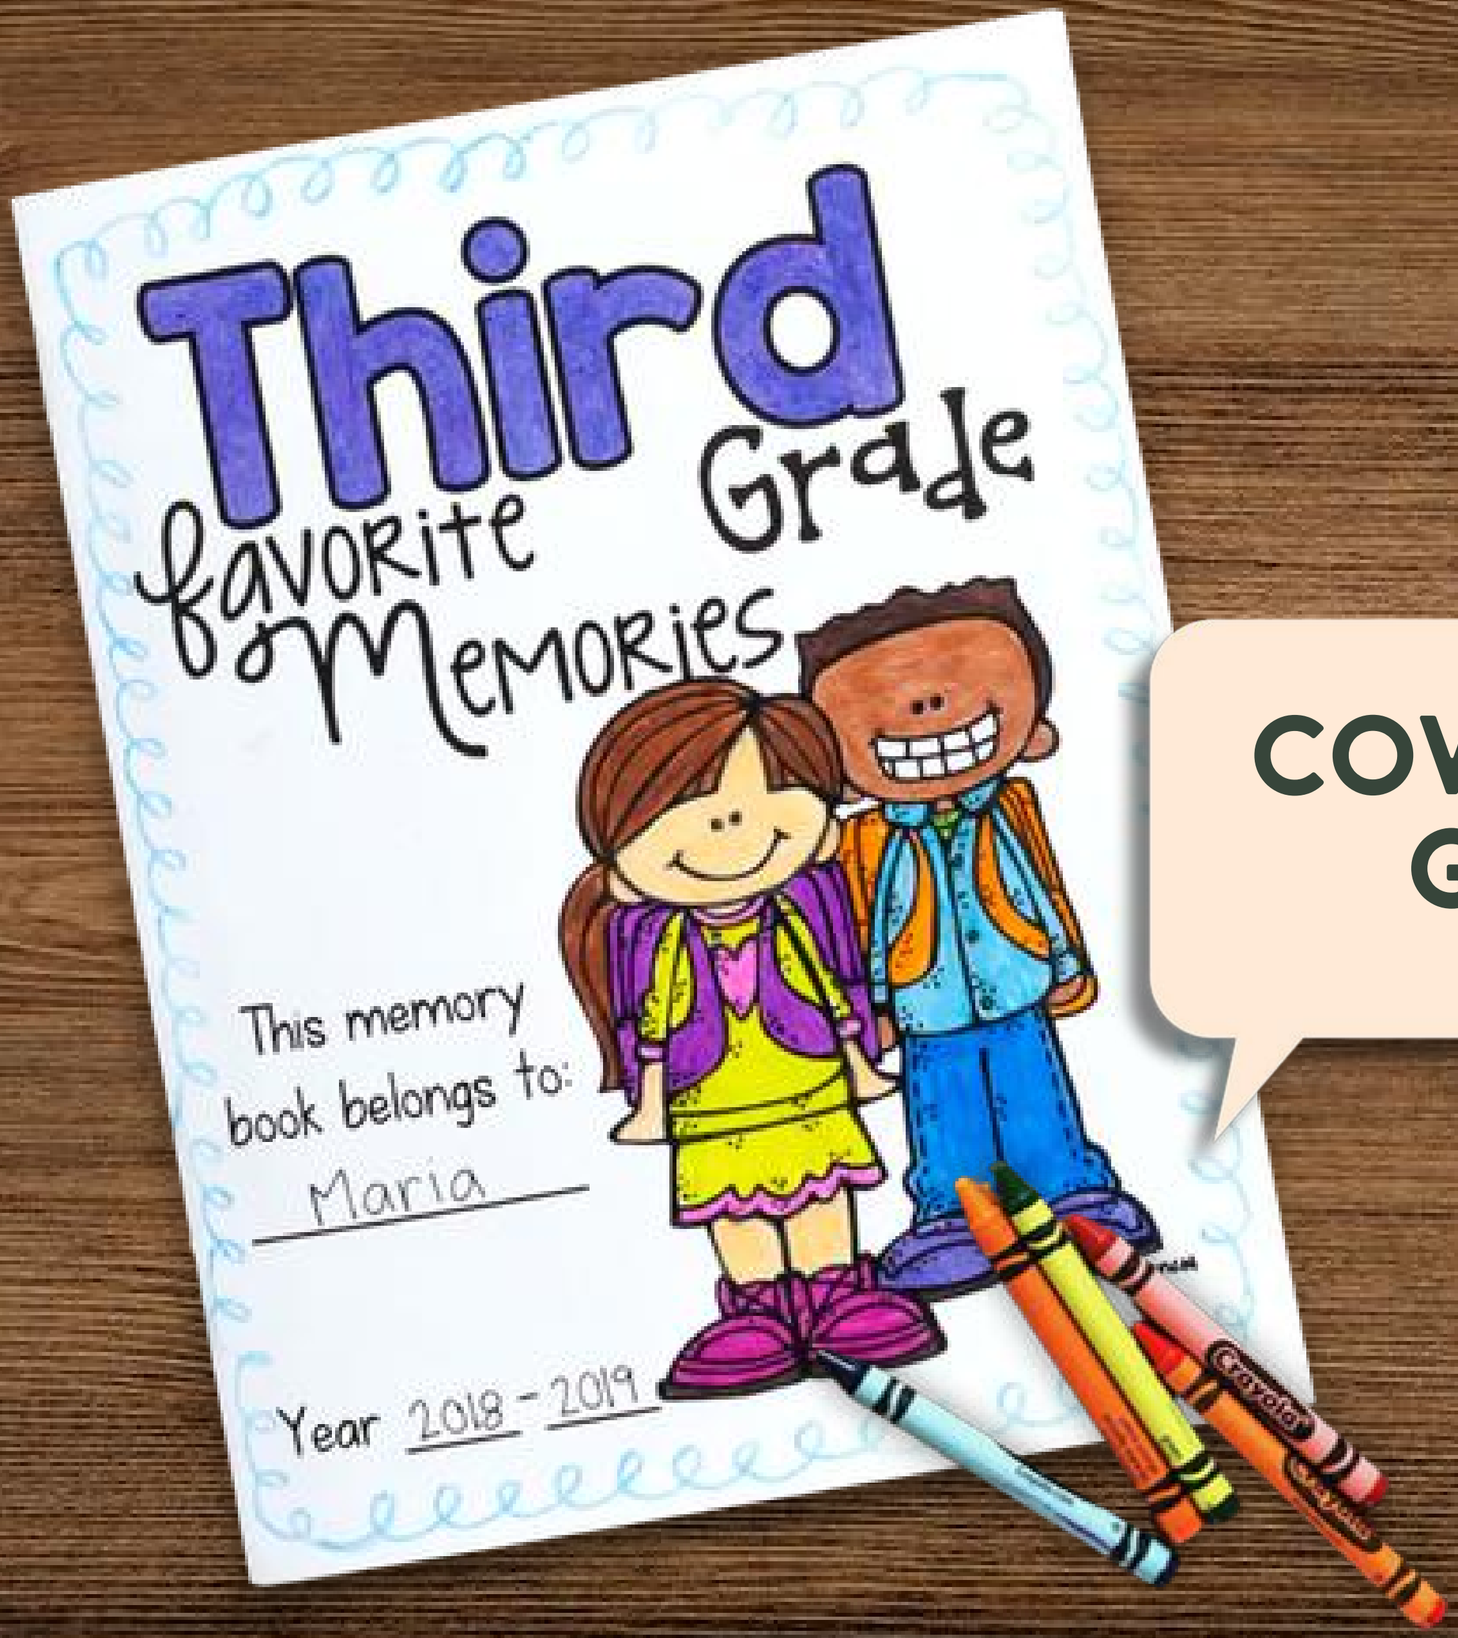

Not complain when my mom asks me to do stuff.

What I'll miss the most is . . .

I will miss my classroom. We had cool places to sit and do our work.

I'm looking forward to . . .

All the fun things I will do in fourth grade. We have a field trip to see gold mining!

YOU WILL LOVE THIS BECAUSE

Meaningful Reflection Opportunities

Students thoughtfully reflect on growth, friendships, and achievements while strengthening writing skills.

Supports Social Emotional Learning

Encourages self-awareness, goal setting, gratitude, and positive classroom relationships.

Easy to Prep and Use

Simply print, copy, and assemble for a low-prep end-of-year activity that fits busy schedules.

TEACHERS LOVE IT!

This resource helped so much in the classroom - helped with my lesson plans, sub plans, and student engagement. The students also were actively engaged in the learning.

Gabrielle S.

We did this at the end of the last school year, and it was so much fun to see them reflecting on their year! Very sweet memory book.

Addie P.

My passion is making learning accessible to all students. I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections. I love figuring out the small components that build up to the big ideas and helping students see it all.
