* This set does include some Short U words mixed in with the VCE words. This is to help students see the differences between CVC and VCE words.
* Since there are so few u_e words, other VCE words are used as distractors on some of the worksheets
* A few of the missing worksheets, while appropriate for the CVC Short Vowels or Digraphs, are too easy and repetitive for the higher phonics patterns. They have been removed. #2 is part of the CVC Short Vowels and Digraphs. #19 is part of the Digraphs BUNDLE.
* In this set, #20 has been changed from open sentences to a sentence construction activity.
* At previous levels, we included 4-word sentences. This level has 4-8 word sentences.

VCE - U Words

The following words are included on the worksheets in this product. Worksheets with sentences will have previously taught words included in the sentences. Short u words are used as distractors and sprinkled throughout the worksheets. Sight words are used within sentences only.
