Long Vowel Team Words Partner Games Word List

These partner games move through a set of long vowel teams. The words in this resource are broken up into the groups below. Words with OA can have one of two sounds as in boar or boat. Sentences within each section assume that students have learned the words from the previous section. Sentences also assume that students are able to read CVC words, blends, digraphs, and VCE words.

TEACHERS LOVE IT!

"My students LOVED playing these games!! They asked for extras to play during free time and to take home. "

Elizabeth J.

This was a great centre during the language block. Students practiced taught phonics patterns independently and had lots of fun!

Kimberlee M.

My passion is making learning accessible to all students. I love scaffolding learning, breaking down the concepts and building them up so that students can see the connections. I love figuring out the small components that build up to the big ideas and helping students see it all.
