MONEY MATCHING & WORD PROBLEMS

COIN IDENTIFICATION & MULTI-STEP WORD PROBLEMS

2 SETS OF COIN IDENTIFICATION

SIMPLE & CHALLENGE CARDS

Name: _____

Problem Four

Part 1: Your parents ask you to water the tree on the side of your house. The hose you have at home is not long enough to reach the tree. Is it cheaper to buy another length of hose or a watering can to carry the water over to the tree?

Part 2: Which would you prefer to do: buy a new hose or buy a watering can? Why?

Part 2: You have $10. How much change do you receive after you've bought the watering can or the hose? Show one combination of the money.

Name: _____

Problem Three

Part 1: The store is having a sale: But two items that cost $15 or more and get a packet of seeds for free. What are two items that you could buy to get the packet of seeds?

Part 2: What's the closest you can get to $15 and still receive the free packet of seeds? Show the two items below.

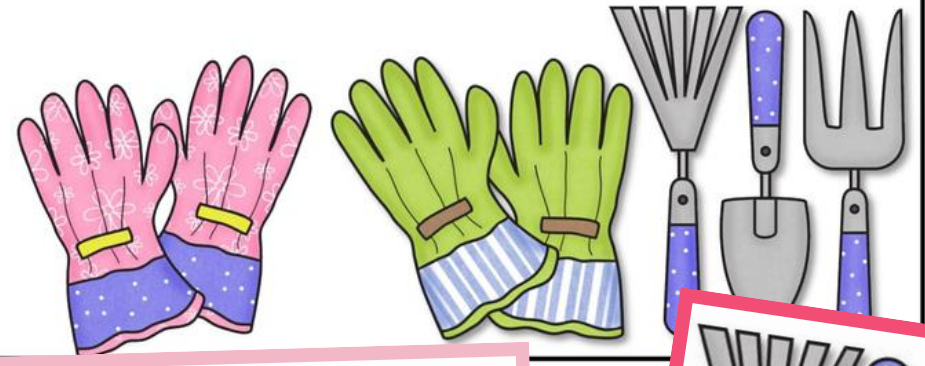

MULTI-STEP WORD PROBLEMS

Problem Two

Name: _____

Part 1: You want to dig in the garden, but you don't have the tools. You need a one set of hand tools and one pair of gloves (either pink or green). How much do those cost together?

Part 2: You have a $10 bill and a $5 bill. If you give those to the store clerk, how much change will you receive?
